U.S. Bancorp
USB Capital XIII
800 Nicollet Mall
Minneapolis, MN 55402

Ladies and Gentlemen:

We (the "Representatives") understand that USB Capital XIII, a statutory trust formed under the laws of the State of Delaware (the "Trust"), and U.S. Bancorp, a Delaware corporation, as sponsor of the Trust and as guarantor (the "Guarantor"), propose that the Trust issue and sell to the several underwriters named in Schedule I (the "Underwriters") 500,000 6.625% Trust Preferred Securities (liquidation amount \$1,000 per Trust Preferred Security) with an aggregate liquidation amount of \$500,000,000 (the "Offered Securities") representing preferred beneficial interests in the Trust. The Offered Securities are fully and unconditionally guaranteed by U.S. Bancorp. The Guarantor will be the owner of all of the beneficial ownership interests represented by the common securities (aggregate liquidation amount \$1,000,000) issued by the Trust (the "Common Securities"). Proceeds from the sale of the Offered Securities to the Underwriters and from the concurrent sale of the Common Securities to the Guarantor will be used to purchase 6.625% junior subordinated debentures due December 15, 2039 of the Guarantor (the "Junior Subordinated Debentures"). The Junior Subordinated Debentures will be issued by the Guarantor pursuant to a Junior Subordinated Indenture, dated as of April 28, 2005, as amended and supplemented through the Closing Date (as defined below), (the "Indenture") between the Guarantor and Wilmington Trust Company, as successor trustee to Delaware Trust Company, National Association (the "Debenture Trustee").

The Guarantor will, through the Indenture, the Junior Subordinated Debentures, the Amended and Restated Trust Agreement, by and among U.S. Bancorp, as Sponsor, Wilmington Trust Company, as Property Trustee, Wilmington Trust Company, as Delaware Trustee and the Administrative Trustees named therein, as amended and supplemented (the "Trust Agreement"), the Guarantee Agreement (the "Guarantee") between the Guarantor and Wilmington Trust Company, as trustee (the "Guarantee Trustee"), taken together, fully, irrevocably and unconditionally guarantee on a subordinated basis all of the Trust's obligations under the Offered Securities.

Subject to the terms and conditions set forth herein and incorporated by reference herein, the Guarantor and the Trust hereby agree that the Guarantor shall sell to each of the Underwriters, and each of the Underwriters agrees, severally and not jointly, to purchase the number of the Offered Securities set forth opposite the name of such Underwriter at a purchase

price of \$987.62 per Offered Security, plus accrued distributions, if any (the "Purchase Price"). The respective number of Offered Securities to be purchased by each of the Underwriters at the foregoing price shall be that proportion of Offered Securities which the number of Offered Securities to be purchased by such Underwriter as set forth on Schedule I bears to the aggregate number of Offered Securities (rounded as the Representatives may determine to the nearest 10 Offered Securities).

The Offered Securities shall have the terms that are further described in the Statutory Prospectus and the term sheet specified in Schedule II hereto.

Capitalized terms used herein and not otherwise defined herein shall have the meanings given to them in the Standard Underwriting Agreement.

For purposes of this Underwriting Agreement only, Article (VI)(h) of the Standard Underwriting Agreement shall be deleted in its entirety and replaced with the following:

"(h) During the period of 15 days from the date of the Underwriting Agreement, the Guarantor and Trust will not offer, sell, contract to sell or otherwise dispose of any Offered Securities, any other beneficial interest in the assets of the Trust, or any other securities of the Trust or any other similar trust which are substantially similar to the Offered Securities, including any guarantee of such securities, or any junior subordinated debentures of

the Guarantor issued to the Trust or other similar trust, or any securities convertible into or exchangeable for or representing the right to receive Offered Securities, or any such substantially similar securities of the Trust or any other similar trust, or any other junior subordinated debentures of the Guarantor issued to the Trust or other similar trust, without the prior written consent of the Representatives.”

UNDERWRITING AGREEMENT
STANDARD PROVISIONS
(CAPITAL SECURITIES)**

(December 7, 2009)

From time to time, U.S. Bancorp, a Delaware corporation (the “Guarantor”), and each of USB Capital XIII (“USB XIII”), USB Capital XIV (“USB XIV”), USB Capital XV (“USB XV”) or USB Capital XVI (“USB XVI”), each a statutory trust formed under the laws of the State of Delaware, may enter into one or more underwriting agreements (each such agreement, an “Underwriting Agreement”) that provide for the sale of designated capital securities to the several underwriters (the “Underwriters”) named therein.

The standard provisions hereof may be incorporated by reference in any Underwriting Agreement. As used herein, the term “Trust” means the statutory trust named in the first sentence of the Underwriting Agreement. The term “Agreement” means the Underwriting Agreement, including the provisions hereof incorporated therein by reference. Unless otherwise defined herein, all other defined terms have the meanings ascribed thereto in the Underwriting Agreement.

I

The Guarantor and each of USB XIII, USB XIV, USB XV and USB XVI, severally and not jointly, issue from time to time, in one or more series, capital securities (the “Securities”) pursuant to the provisions of the registration statement on Form S-3 filed on April 17, 2009 Registration No. 333-150298, as thereby amended. Such Securities may be issued in amounts, at prices and other terms to be determined in light of market conditions at the time of sale. The specific number of the Securities, title and liquidation preference of each Security, issuance price, distribution rate or rates (or method of calculation), distribution periods, distribution payment dates, redemption provisions, and any other specific terms of the Securities shall be set forth in a prospectus supplement. Promptly after execution and delivery of an Underwriting Agreement, the Guarantor and the Trust will prepare and file a prospectus in accordance with the provisions of Rule 430B under the Securities Act and paragraph (b) of Rule 424 under the Securities Act. Any information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of and included in such registration statement pursuant to Rule 430B(f) is referred to as the “Rule 430B Information.”

The Securities specified in Schedule I to the Underwriting Agreement are the “Firm Securities.” If specified in such Underwriting Agreement, the Guarantor and the Trust may grant to the Underwriters the right to purchase at their election an additional number of the Securities specified in such Underwriting Agreement as provided in Article III hereof (the “Optional Securities”). The Firm Securities and the Optional Securities, if any, which the Underwriters elect to purchase pursuant to Article III hereof are herein collectively called the “Offered Securities.”

The Guarantor and USB XIII, USB XIV, USB XV and USB XVI have filed with the Securities and Exchange Commission (the “Commission”) a registration statement in respect of the Securities, the Guarantee and the Junior Subordinated Debentures (collectively, the “Registered Securities”), including a prospectus relating to the Registered Securities, and will file with the Commission a prospectus supplement specifically relating to the Offered Securities pursuant to Rule 424 under the Securities Act of 1933, as amended (the “Securities Act”). Such registration statement, at any given time, including the amendments thereto to such time, the exhibits and any schedules thereto at such time, the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act at such time and the documents otherwise deemed to be a part thereof or included therein by the rules and regulations under the Securities Act, is herein called the “Registration Statement.” The Registration Statement at the time it originally became effective is herein called the “Original Registration Statement.”

The term “Basic Prospectus” means the base prospectus relating to the Registered Securities included in the Registration Statement in the form in which it has most recently been filed with the Commission and became effective on or prior to the date of the Underwriting Agreement.

The term “Statutory Prospectus” means as of any time means the prospectus relating to the Offered Securities that is included in the Registration Statement immediately prior to the Applicable Time, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof.

The term “Prospectus” means the final prospectus supplement dated the date of the Underwriting Agreement relating to the Offered Securities and the final base prospectus, collectively, in the form first furnished to the Underwriters for use in connection with the offering of the Offered Securities, including the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act at the time of the execution of the Underwriting Agreement.

The term “Preliminary Prospectus” means a preliminary prospectus (including the base prospectus and any preliminary prospectus supplement) used in connection with the offering of the Offered Securities that omits Rule 430B Information.

As used herein, the terms “Registration Statement,” “Basic Prospectus,” “Prospectus” and “Preliminary Prospectus” shall include in each case the material, if any, incorporated by reference therein as of its effective time, in the case of the Registration Statement and the Basic Prospectus, and as of the date of such prospectus, in the case of any Prospectus or Preliminary Prospectus. Any reference to any amendment or supplement to the Basic Prospectus, Prospectus or preliminary prospectus shall be deemed to refer to and include any document incorporated by reference after the date of such Basic Prospectus or any Prospectus or Preliminary Prospectus, as the case may be. Any reference to any amendment to the Registration Statement shall be deemed to include any document incorporated by reference after the effective time of such Registration Statement.

The term “Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 under the Securities Act (“Rule 433”), relating to the Offered Securities that

(i) is required to be filed with the Commission by the Guarantor or the Trust, (ii) is a “road show that is a written communication” within the meaning of Rule 433(d)(8)(i) whether or not required to be filed with the Commission or (iii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Offered Securities or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the records of the Guarantor and the Trust pursuant to Rule 433(g).

The term “Issuer General Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule II to the Underwriting Agreement.

The term “Issuer Limited Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus.

All references herein to the Registration Statement, any Preliminary Prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system (“EDGAR”).

The “Guarantor Agreements” shall mean, collectively, the Guarantee, the Junior Subordinated Debentures, the Trust Agreement and the Indenture.

II

The terms of the public offering of the Firm Securities are set forth in the General Disclosure Package (as such term is defined in Article VII(c) hereof) and the Prospectus.

III

The Guarantor and the Trust may specify in the Underwriting Agreement applicable to any Securities that the Guarantor and the Trust thereby grant to the Underwriters the right (an “Overallotment Option”) to purchase at their election up to the number of Optional Securities set forth in such Underwriting Agreement, on the terms set forth in the paragraph above, for the sole purpose of covering over-allotments in the sale of the Firm Securities. Any such election to purchase Optional Securities may be exercised by written notice from each of the Representatives (as defined in the Underwriting Agreement) to the Guarantor and the Trust, given within a period specified in the Underwriting Agreement, setting forth the aggregate number of Optional Securities to be purchased and the date on which such Optional Securities are to be delivered, as determined by the Representatives but in no event earlier than the first Closing Date or, unless the Representatives, the Guarantor and the Trust otherwise agree in writing, earlier than or later than the respective number of business days after the date of such notice set forth in such Underwriting Agreement.

The number of Optional Securities to be added to the number of Firm Securities to be purchased by each Underwriter as set forth in Schedule I to the Underwriting Agreement applicable to such Securities shall be, in each case, the number of Optional Securities which the Guarantor has been advised by the Representatives have been attributed to such Underwriter;

provided, that, if the Guarantor and the Trust have not been so advised, the number of Optional Securities to be so added shall be, in each case, that proportion of Optional Securities which the number of Firm Securities to be purchased by such Underwriter under such Underwriting Agreement bears to the aggregate number of Firm Securities (rounded as the Representatives may determine to the nearest 10 shares). The total number of Offered Securities to be purchased by all Underwriters pursuant to such Underwriting Agreement shall be the aggregate number of Firm Securities set forth in Schedule I to such Underwriting Agreement plus the aggregate number of Optional Securities which the Underwriters elect to purchase.

IV

Payment for the Securities shall be made in federal (same day) funds at the time, date and place set forth in the Underwriting Agreement, upon delivery to the Representatives, through the facilities of The Depository Trust Company (“DTC”), for the respective accounts of the several Underwriters of the Securities. Each time and date of such payment and delivery of the Securities, including any payment and delivery pursuant to the exercise of the Overallotment Option by the Underwriters, is herein referred to as a “Closing Date.” The Trust will cause the certificates representing the Securities to be made available for checking and packaging at least one day prior to the Closing Date at the office of DTC or its designated custodian.

V

The several obligations of the Underwriters hereunder are subject to the condition that all representations and warranties and other statements of the Guarantor and the Trust in or incorporated by reference in the Underwriting Agreement are, at and as of each Closing Date, true and correct, the condition that the Guarantor and the Trust shall have performed all of their respective obligations hereunder theretofore to be performed, and to the following additional conditions:

(a) The Representatives shall have received on the Closing Date a certificate of the Administrative Trustees with respect to the Trust and a certificate of the Chairman, Vice Chairman, President or a Vice President of the Guarantor, each dated the Closing Date and to the effect (i) that there has been no downgrading, nor any notice given of any potential or intended downgrading, or of a possible change that does not indicate the direction of the possible change, in the rating accorded any of the Trust’s securities or the Guarantor’s securities by any nationally recognized statistical rating organization, (ii) that the representations and warranties of the Guarantor contained in Section VII are true and correct with the same force and effect as though expressly made at and as of the date of such certificate, (iii) that the Trust and the Guarantor have complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to the date of such certificate, and (iv) that no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been initiated or threatened by the Commission.

(b) The Representatives shall have received on the Closing Date an opinion of Squire, Sanders & Dempsey L.L.P., counsel to the Guarantor and the Trust, dated the Closing Date, and addressed to the Underwriters, to the effect set forth in Exhibit A.

(c) The Representatives shall have received on the Closing Date an opinion of the General Counsel of the Guarantor, and addressed to the Underwriters, dated the Closing Date, to the effect set forth in Exhibit B.

(d) The Representatives shall have received on the Closing Date an opinion of counsel to the Underwriters specified in the applicable Underwriting Agreement (the "Underwriters' Counsel"), dated the Closing Date, and addressed to the Representatives, relating to the incorporation of the Guarantor, the validity of the Offered Securities and the Underwriting Agreement, the Registration Statement, the Prospectus and other related matters as the Underwriters may reasonably request.

(e) The Representatives shall have received on the Closing Date an opinion of special tax counsel for the Trust and the Guarantor, to be specified in the Underwriting Agreement (the "Special Tax Counsel"), dated the Closing Date and addressed to the Underwriters, to the effect set forth in Exhibit C.

(f) The Representatives shall have received on the Closing Date an opinion of Richards, Layton & Finger, P.A., special Delaware counsel for the Trust and the Guarantor, dated the Closing Date and addressed to the Underwriters, to the effect set forth in Exhibit D.

(g) At the time of execution of the applicable Underwriting Agreement, the Representatives shall have received a letter dated such date, in form and substance satisfactory to the Representatives, from Ernst & Young LLP, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in the Registration Statement and the General Disclosure Package.

(h) On the Closing Date, the Representatives shall have received from Ernst & Young LLP a letter, dated as of the Closing Date, to the effect that they reaffirm the statements made in the letter furnished pursuant to subsection (g) of this Article V, except that the specified date referred to shall be a date not more than three business days prior to the Closing Date, and such letter shall contain statements and information with respect to certain financial information contained in the Prospectus.

(i) On or prior to the Closing Date, the Underwriters' Counsel, shall have been furnished with such documents and opinions as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Offered Securities as herein contemplated and related proceedings, or in order to evidence the accuracy and completeness of any of the representations and warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Guarantor and the Trust in connection with the issuance and sale of the Offered Securities as herein contemplated shall be satisfactory in form and substance to the Underwriters and the Underwriters' Counsel.

(j) Since the date of the latest audited financial statements incorporated by reference in the General Disclosure Package and the Prospectus, there shall not have been any material adverse change in the condition, financial or otherwise, of the Trust or of the Guarantor and its subsidiaries considered as one enterprise, or in the earnings, affairs or business prospects of the

Trust or of the Guarantor and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, other than as set forth in the General Disclosure Package and the Prospectus, and (ii) there shall not have occurred since the date of the applicable Underwriting Agreement any outbreak or escalation of hostilities or any material change in financial markets or other calamity or crisis the effect of which is such as to make it, in the judgment of the Representatives, impracticable or inadvisable to proceed with the public offering or the delivery of the Offered Securities on the terms and in the manner contemplated by the General Disclosure Package and the Prospectus, and (iii) trading in securities of the Guarantor as of the date of the Underwriting Agreement shall not have been suspended by the Commission or a national securities exchange, nor shall trading generally on either the American Stock Exchange or the New York Stock Exchange have been suspended, or minimum or maximum prices for trading of securities generally have been fixed, or maximum ranges for prices for securities (other than trading limits currently in effect and other similar trading limits) have been required, or trading otherwise materially limited, by either of said exchanges or by order of the Commission or any other governmental authority, nor shall a banking moratorium have been declared by either Federal or New York authorities nor shall a banking moratorium have been declared by the relevant authorities in the country or countries of origin of any foreign currency or currencies in which the Securities are denominated or payable, and (iv) the rating assigned by any nationally recognized statistical rating organization to any debt securities of the Guarantor as of the date of the Underwriting Agreement shall not have been downgraded nor shall any notice have been given by any such nationally recognized statistical rating organization of any intended or potential downgrading or any review for possible change that does not indicate the direction of the possible change in such rating, and (v) the General Disclosure Package and the Prospectus, at the time it was required to be delivered to a purchaser of the Offered Securities, shall not have contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances existing at such time, not misleading.

(k) The Representatives shall have received on the Closing Date a certificate of Wilmington Trust Company, as Debenture, Guarantee, Property and Delaware Trustee.

(l) The Trust Agreement, the Guarantee and the Indenture shall have been duly authorized, executed and delivered, in each case in a form reasonably satisfactory to the Representatives.

(m) The Securities to be sold by the Trust at such time of delivery shall have been duly listed, subject to notice of issuance, on the New York Stock Exchange.

VI

In further consideration of the agreements of the Underwriters contained in the Underwriting Agreement, the Guarantor and the Trust, jointly and severally, covenant as follows:

(a) The Guarantor and the Trust will give the Representatives notice of their intention to file any amendment to the Registration Statement or any amendment or supplement to the Prospectus, whether by the filing of documents pursuant to the Securities Exchange Act of 1934,

as amended (the “Exchange Act”), the Securities Act or otherwise. The Guarantor and the Trust will furnish the Representatives with copies of any such amendment or supplement or other documents, other than documents filed pursuant to the Exchange Act, proposed to be filed a reasonable time in advance of filing, and will furnish the Representatives with copies of documents filed pursuant to the Exchange Act promptly upon the filing thereof;

(b) The Guarantor and the Trust will promptly notify the Representatives immediately (i) of the filing and effectiveness of any amendment to the Registration Statement, (ii) of the mailing or the delivery to the Commission for filing of any supplement to the Prospectus or any document to be filed pursuant to the Exchange Act which will be incorporated by reference in the Prospectus, (iii) of the receipt of any comments from the Commission with respect to the Registration Statement or the Prospectus or any amendment or supplement thereto, (iv) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information, (v) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation or threat of initiation of any proceedings for that purpose, or (vi) of the suspension of qualification of the Offered Securities for offering or sale in any jurisdiction or the initiation or threat of initiation of any proceedings for that purpose. The Guarantor and the Trust will make every reasonable effort to prevent the issuance of any stop order or suspension of qualification and, if any stop order or suspension of qualification is issued, to obtain the lifting thereof at the earliest possible moment;

supplement thereto or any related preliminary prospectus or preliminary prospectus supplement);

(ii) against any and all loss, liability, claim, damage and expense whatsoever to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission (except as made in reliance upon and in conformity with information relating to such Indemnified Person furnished by the Representatives as aforesaid) if such settlement is effected with the written consent of the Guarantor or the Trust (which consent shall not be unreasonably withheld or delayed); and

(iii) against any and all expense whatsoever (including the fees and disbursements of counsel chosen by such Indemnified Person), as incurred, reasonably incurred in investigating, preparing or defending against any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission (except as made in reliance upon and in conformity with information relating to such Indemnified Person furnished by the Representatives as aforesaid), to the extent that any such expense is not paid under (i) or (ii) above.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Guarantor and the Trust, each of their respective directors or trustees, each of their officers who signed the Registration Statement, and each person, if any, who controls the Guarantor or the Trust within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto) or any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto or any related preliminary prospectus or preliminary prospectus supplement) in reliance upon and in conformity with written information relating to such Underwriter furnished to the Guarantor or the Trust by the Representatives expressly for use in the Registration Statement (or any amendment thereto) or any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto or any related preliminary prospectus or preliminary prospectus supplement).

(c) Each indemnified party shall give prompt notice to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder but failure to so notify an indemnifying party shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. An indemnifying party may participate at its own expense in the defense of such action. In no event shall the indemnifying parties be liable for the fees and expenses of more than one counsel (in addition to any local counsel) for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances; provided, however, that when more than one of the Underwriters is an indemnified party each such Underwriter shall be entitled to separate counsel (in addition to any local counsel) in each such jurisdiction to the extent such Underwriter may have interests conflicting with those of the other

Underwriter or Underwriters because of the participation of one Underwriter in a transaction hereunder in which the other Underwriter or Underwriters did not participate. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in this Section VIII is for any reason held to be unavailable to the Underwriters in accordance with its terms, the Guarantor, the Trust and the Underwriters shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the Guarantor and the Trust on the one hand and the Underwriters on the other with respect to Securities sold to the Underwriters in such proportions as is appropriate to reflect the relative benefits received by the Guarantor and the Trust on the one hand and the Underwriters on the other. The relative benefits received by the Guarantor and the Trust on the one hand and the Underwriters on the other shall be deemed to be in such proportion represented by the percentage that the total commissions and underwriting discounts received by the Underwriters to the date of such liability bears to the total sales price (before deducting expenses) received by the Trust from the sale of the Offered Securities made to the Underwriters to the date of such liability, and the Guarantor and the Trust are responsible for the balance. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the Underwriters failed to give the notice required under (c), then the Guarantor and the Trust on the one hand and the Underwriters on the other shall contribute to such aggregate losses, liabilities, claims, damages and expenses in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Guarantor and the Trust on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such liabilities, claims, damages and expenses, as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Guarantor and the Trust or the Representatives and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Guarantor, the Trust and the Underwriters agree that it would not be just and equitable if contributions pursuant to this paragraph were determined pro rata (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this paragraph. Notwithstanding the provisions of this paragraph, the Underwriters shall not be required to contribute any amount in excess of the amount by which the total price at which the Securities referred to in the second sentence of this paragraph that were offered and sold to the public through the Underwriters exceeds the amount of any damages that the Underwriters have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled under this paragraph to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as

such Underwriter, and each director of the Guarantor, each trustee of the Trust, each officer of the Guarantor and the Trust who signed the Registration Statement, and each person, if any, who controls the Guarantor or the Trust within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Guarantor and the Trust.

IX

The indemnity and contribution agreements contained in Section VIII hereof and the representations and warranties of the Guarantor and the Trust in this Agreement or in any certificate submitted pursuant hereto shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by any Underwriter or on behalf of any Underwriter or any person controlling any Underwriter or by or on behalf of the Guarantor and the Trust or each of their respective directors or trustees or each of their officers or any person controlling the Guarantor and the Trust and (iii) acceptance of any payment for any of the Offered Securities, if any.

X

If any Underwriter shall default in its obligation to purchase the Offered Securities, which it has agreed to purchase hereunder, the Representatives may in their discretion arrange for themselves or another party or other parties to purchase such Offered Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Offered Securities then the Guarantor and the Trust shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Offered Securities on such terms. In the event that, within the respective prescribed period, the Representatives notify the Guarantor and the Trust that they have so arranged for the purchase of such Offered Securities or the Guarantor or the Trust notify the Representatives that it has so arranged for the purchase of such Offered Securities, the Representatives, the Guarantor or the Trust shall have the right to postpone the Closing Date for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Guarantor and the Trust agree to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in the reasonable opinion of the Representatives may thereby be made necessary. The term "Underwriters" as used in this Agreement shall include any person substituted under this Section X with like effect as if such person had originally been a party to this Agreement with respect to such Offered Securities.

If, after giving effect to any arrangements for the purchase of the Offered Securities of a defaulting Underwriter or Underwriters by the Representatives and the Guarantor and the Trust as provided in the immediately preceding paragraph hereof, the aggregate principal amount of such Offered Securities which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Offered Securities then the Guarantor and the Trust shall have the right to require each non-defaulting Underwriter to purchase the Offered Securities which such Underwriter agreed to purchase hereunder and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Offered

Securities which such Underwriter agreed to purchase hereunder) of the Offered Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

If, after giving effect to any arrangements for the purchase of the Offered Securities of a defaulting Underwriter or Underwriters by the Representatives and the Guarantor and the Trust as provided in the first paragraph of this Section X, the aggregate principal amount of Offered Securities which remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Offered Securities or if the Guarantor and the Trust shall not exercise the right described in the immediately preceding paragraph to require non-defaulting Underwriters to purchase Offered Securities of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate, without liability on the part of any non-defaulting Underwriters, the Guarantor or the Trust, except for the expenses to be borne by the Guarantor, the Trust and the Underwriters as provided in Section XI hereof and the indemnity and contribution agreements in Section VIII hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

XI

The Guarantor covenants and agrees with the several Underwriters that the Guarantor will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Guarantor's and the Trust's counsel and accountants in connection with the registration of the Securities under the Securities Act and all other expenses in connection with the preparation, and filing of the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, any Permitted Free Writing Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and to dealers and any costs associated with electronic delivery of any of the foregoing by the Underwriters to investors; (ii) the cost of printing this Agreement and any Blue Sky and legal investment memoranda; (iii) all expenses in connection with the qualification of the Offered Securities for offering and sale under state securities laws as provided in Section VI hereof, including the fees and disbursements of counsel in connection with such qualification and in connection with the preparation of any Blue Sky memorandum or any Blue Sky and legal investment surveys; (iv) any fees charged by securities rating services for rating the Securities; (v) the cost of preparing the Securities; (vi) the fees and expenses of the Trustee and any agent of the Trustee and the fees and disbursements of counsel for the Trustee in connection with the Indenture, the Trust Agreement and the Securities; (vii) the fees and expenses incident to any Overallotment Options which are not otherwise specifically provided for in this section; (viii) the costs and expenses (including without limitation any damages or other amounts payable in connection with legal or contractual liability) associated with the reforming of any contracts for sale of the Offered Securities made by the Underwriters caused by a breach of the representation contained in the fourth paragraph of Article VII(c); and (ix) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section XI. It is understood, however, that, except as provided in this Section XI and Sections VIII and XII hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on resale of any of the Offered Securities by them and any advertising expenses connected with any offers they may make.

XII

If the Underwriting Agreement shall be terminated by the Underwriters or any of them, because of any failure or refusal on the part of the Guarantor or the Trust to comply with the terms or to fulfill any of the conditions of the Underwriting Agreement, or if for any reason the Guarantor or the Trust shall be unable to perform its obligations under the Underwriting Agreement except pursuant to Article X hereof, the Guarantor will reimburse the Underwriters or such Underwriters as have so terminated the Underwriting Agreement with respect to themselves, severally, for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by such Underwriters in connection with the Offered Securities.

XIII

In all dealings hereunder, the Representatives of the Underwriters of Offered Securities shall act on behalf of each of such Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the representatives, if any, as may be designated for such purpose hereunder.

All statements, requests, notices and agreements hereunder shall be in writing or by telegram if promptly confirmed in writing, and if to the Underwriters shall be sufficient in all respects if delivered or sent by registered mail to the address of the principal offices of the Representatives and if to the Guarantor or the Trust shall be sufficient in all respects if delivered or sent by registered mail to the address of the Guarantor set forth in the Underwriting Agreement, Attention: Treasurer; provided, however, that any notice to an Underwriter pursuant to Section VIII hereof shall be delivered or sent by registered mail to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Underwriters' Questionnaire, which address will be supplied to the Guarantor by the Representatives upon request.

XIV

This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Guarantor, the Trust and, to the extent provided in Section VIII hereof, the officers and directors of the Guarantor, the Trust and each person who controls the Guarantor or the Trust or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Offered Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

XV

The Trust and the Guarantor acknowledge and agree that (i) the purchase and sale of the Offered Securities pursuant to this Agreement, including the determination of the public offering price of the Offered Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Trust and the Guarantor, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such

transaction each Underwriter is and has been acting solely as a principal and not the agent or fiduciary of the Trust or the Guarantor, (iii) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Trust or the Guarantor with respect to the offering contemplated hereby and the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Trust or the Guarantor on other matters) or any other obligation to the Trust or the Guarantor except the obligations expressly set forth in this Agreement, (iv) the Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Trust and the Guarantor, and (v) the Trust and the Guarantor have consulted their own legal and financial advisors to the extent they deemed appropriate. The Trust and the Guarantor agree that they will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Trust or the Guarantor, in connection with such transaction or the process leading thereto, or the financial, tax or other related consequences of the transaction for the Trust or the Guarantor.

XVI

Time shall be of the essence of this Agreement.

This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

This Agreement and the rights and obligations of the parties created hereby shall be governed by the laws of the State of New York.

(xiv) The execution and delivery of the Underwriting Agreement, the Trust Agreement, the Guarantee, the Indenture, the issuance of the Guarantee and the Junior Subordinated Debentures, and the consummation of the transactions contemplated herein and therein, and the performance of the obligations hereunder and thereunder will not result in a violation of any federal or state law nor will such action result in any violation of the provisions of the charter or bylaws of the Guarantor.

(xv) The execution and delivery of the Underwriting Agreement by the Trust and the performance by the Trust of its obligations hereunder, the issuance and sale of the Securities and the Common Securities by the Trust and the consummation of the other transactions contemplated hereby will not violate any provision of federal law or, to the best knowledge of such counsel, any agreement or instrument binding upon the Trust or any judgment, order or decree of any governmental body, agency or court having jurisdiction over the Trust, except such contravention as would not, individually or in the aggregate, have a material adverse effect on the condition (financial or other), business, properties, net worth or results of operations of the Trust.

(i) The Guarantor is duly qualified to do business as a foreign corporation and is in good standing in each U.S. jurisdiction in which its ownership or lease of substantial properties or the conduct of its business requires such qualification, except where the failure so to qualify would not have a material adverse effect on the Guarantor and its subsidiaries, taken as a whole.

(ii) U.S. Bank National Association is lawfully able to transact business in each jurisdiction in which it owns or leases substantial properties or conducts business, except for the jurisdictions in which the failure to be lawfully able to conduct business would not have a material adverse effect on U.S. Bank National Association and its subsidiaries, taken as a whole.

(iii) There are no pending or, to the best of the knowledge of such counsel, overtly threatened lawsuits or claims against the Guarantor or its subsidiaries which are required to be disclosed in the General Disclosure Package and the Prospectus that are not disclosed as required.

(iv) To the best of the knowledge of such counsel, there are no legal or governmental proceedings pending or threatened against the Trust or to which the Trust or any of its property is subject, that are required to be described in the General Disclosure Package and the Prospectus that are not described as required and there are no agreements, contracts, indentures, leases or other instruments of the Trust that are required to be described in the General Disclosure Package and the Prospectus that are not described as required.

(v) The execution and delivery of the Underwriting Agreement, each of the Guarantor Agreements, the issuance of the Junior Subordinated Debentures and the Guarantee, and the consummation of the transactions contemplated herein and therein, and the performance of the obligations thereunder will not conflict with or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Guarantor or any subsidiary pursuant to any contract, indenture, mortgage, loan agreement, note, lease or other instrument to which the Guarantor or any of its subsidiaries is a party or by which it or any of them may be bound or to which any of the property or assets of the Guarantor or any of its subsidiaries is subject and that is material to the Guarantor and its subsidiaries, taken as a whole.

The statements set forth in the General Disclosure Package and the Prospectus under the caption “Certain United States Federal Income Tax Consequences,” insofar as they purport to constitute summaries of matters of United States federal tax law and regulations or legal conclusions with respect thereto, constitute accurate summaries of the matters described therein in all material respects. In addition, the opinion or opinions of the Special Tax Counsel, to be delivered pursuant to Section V(e) of the Agreement, shall confirm the opinions set forth in the General Disclosure Package and the Prospectus under the caption “Certain United States Federal Income Tax Consequences.”

Section 2.1. Pursuant to Sections 2.1 and 3.1 of the Indenture, there is hereby established a series of Securities, the terms of which shall be as follows:

(a) Designation. The Securities of this series shall be known and designated as the “6.625% Junior Subordinated Debentures due December 15, 2039” of the Company (the “Junior Subordinated Debentures”). The Junior Subordinated Debentures initially shall be issued to USB Capital XIII, a Delaware statutory trust (the “Trust”). The Trust Agreement for the Trust shall be the Amended and Restated Trust Agreement, dated as of December 10, 2009, among the Company, as Sponsor, Wilmington Trust Company, as Delaware Trustee and Property Trustee, and the Administrative Trustees named therein (the “Trust Agreement”). The Guarantee will be issued pursuant to the Guarantee Agreement, dated as of December 10, 2009 (the “Guarantee”), between the Company and Wilmington Trust Company, as Guarantee Trustee.

(b) Aggregate Principal Amount. The maximum aggregate principal amount of the Junior Subordinated Debentures which may be authenticated and delivered under the Indenture and this Supplemental Indenture is \$501,000,000 (except for Junior Subordinated Debentures authenticated and delivered upon registration of transfer of, or exchange for, or in lieu of, other Junior Subordinated Debentures pursuant to Section 3.4, 3.5, 3.6, 9.6 or 11.6 of the Indenture).

(c) Denominations. The Junior Subordinated Debentures will be issued only in fully registered form, and the authorized minimum denomination of the Junior Subordinated Debentures shall be \$1,000 principal amount and any integral multiple thereof.

(d) Maturity. The principal amount of the Junior Subordinated Debentures shall be payable in full on December 15, 2039 subject to and in accordance with the provisions of the Indenture and this Supplemental Indenture.

(e) Rate of Interest. The rate at which the Junior Subordinated Debentures shall bear interest will be 6.625% per annum; the date from which such interest shall accrue is December 10, 2009; the Interest Payment Dates (as defined in the Indenture) on which such interest shall be payable are June 15 and December 15 of each year, commencing June 15, 2010. Interest payments not paid when due will themselves accrue Additional Interest at the annual rate of 6.625% on the amount of unpaid interest, to the extent permitted by law, compounded semi-annually. The amount of interest payable for any period will be computed on the basis of a 360-day year comprised of twelve 30-day months. The amount of interest payable for any period shorter than a full semi-annual period will be computed on the basis of a 30-day month and, for periods of less than a month, the actual number of days elapsed per 30-day month.

(f) To Whom Interest Payable. Interest will be payable to the person in whose name the Junior Subordinated Debentures are registered at the close of business on the Regular Record Date next preceding the Interest Payment Date, except that, interest payable on the Stated Maturity of the principal of the Junior Subordinated Debentures shall be paid to the Person to whom principal is paid.

(g) Option to Defer Interest Payments. Section 3.11 of the Indenture shall not apply to the Junior Subordinated Debentures, which shall be governed by the following provisions.

(i) The Company shall also have the right, at any time and from time to time prior to the Stated Maturity of the Junior Subordinated Debentures, to defer payment of interest thereon for one or more Deferral Periods consisting of no more than 10 consecutive semi-annual periods without giving rise to an Event of Default under Section 2.1(i). The Company may elect to so defer payment of interest by delivering to the Trustee written notice of such election at least ten and not more than 60 Business Days prior to the applicable Interest Payment Date. Notwithstanding the foregoing, no Deferral Period shall extend beyond the Stated Maturity of the Junior Subordinated Debentures.

(ii) During any Deferral Period, the Company shall not, and shall not permit any Subsidiary of the Company to, (1) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock (which includes common and preferred stock), (2) make any payment of principal of or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Company (including other junior subordinated debt) that rank *pari passu* with or junior in interest to the Junior Subordinated Debentures other than pro rata payments of accrued and unpaid interest on the Junior Subordinated Debentures and any other debt securities of the Company (including other junior subordinated debt) that rank equally with the Junior Subordinated Debentures except and to the extent the terms of any such debt securities would prohibit the Company from making such pro rata payment; or (3) make any guarantee payments with respect to any guarantee by the Company of the debt securities of any Subsidiary of the Company (including under other guarantees of junior subordinated debt) if such guarantee ranks *pari passu* with or junior in interest to the Guarantee other than pro rata payments of accrued and unpaid amounts on the Guarantee and any other guarantees of the Company of debt securities of the Company's subsidiaries that rank equally with Guarantee except and to the extent that terms of any such debt securities would prohibit from making such pro rata payment, other than in the case of each of clauses (1), (2) and (3): (A) any dividends or distributions in additional shares of the Company's capital stock (which includes common and preferred stock), (B) any payments under the Guarantee with respect to the Capital Securities and common securities of the Trust, (C) any declaration or payment of a dividend in connection with the implementation of a stockholders' rights plan, or any issuance of stock under any such plan in the future or the redemption or repurchase of any such rights pursuant thereto, and (D) any

purchases of Common Stock related to the issuance of Common Stock or rights under any of the Company's benefits plans for its directors, officers or employees.

(iii) Upon the payment of all Deferred Interest (including any Additional Interest thereon) then due on the Junior Subordinated Debentures (that has not been cancelled), the Company may elect to begin a new Deferral Period, which shall not extend beyond the Stated Maturity of the Junior Subordinated Debentures.

(h) Events of Default. (i) Solely for purposes of the Junior Subordinated Debentures, Section 5.1(1) of the Indenture shall be replaced by the following:

“(1) default in the payment of any interest, including any Additional Interest in respect thereof, upon the Junior Subordinated Debentures for a period of 30 days after the conclusion of a five-year period following the commencement of any Deferral Period.”

(ii) Solely for purposes of the Junior Subordinated Debentures, Section 5.2 of the Indenture shall be replaced by the following:

“If an Event of Default specified in Sections 5.1(1), (2) or (3) with respect to Securities of any series at the time Outstanding occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have the right to declare the principal amount of, and accrued interest (including any Additional Interest) on, all the Junior Subordinated Debentures to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), provided that if the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Junior Subordinated Debentures fail to declare the principal of, and accrued interest (including any Additional Interest) on, all the Securities of that series to be immediately due and payable, then the holders of at least 25% in aggregate liquidation amount of the corresponding series of Capital Securities then outstanding shall have such right by a notice in writing to the Company and the Trustee; and upon any such declaration such principal amount (or specified portion thereof) of, and the accrued interest (including any Additional Interest) on, all the Junior Subordinated Debentures shall become immediately due and payable. Payment of principal and interest (including any Additional Interest) on the Junior Subordinated Debentures shall remain subordinated to the extent provided in Article XIII notwithstanding that such amount shall become immediately due and payable as herein provided. If an Event of Default specified in Section 5.1(4), (5), (6) or (7) with respect to the Junior Subordinated Debentures at the time Outstanding occurs, the principal amount of all the Junior Subordinated Debentures shall automatically, and without any declaration or other action on the part of the Trustee or any Holder, become immediately due and payable.”

(iii) For the avoidance of doubt, and without prejudice to any other remedies that may be available to the Trustee, the Holders of the Junior Subordinated

Debentures or the holders of the Capital Securities under the Indenture, no breach by the Company of any covenant or obligation under the Indenture or the terms of the Junior Subordinated Debentures shall be an Event of Default (including, without limitation, the failure to comply with the provisions of Section 2.1(g) of this Supplemental Indenture), except those that are specifically identified as an Event of Default under the Indenture.

(i) Location of Payment. Payment of the principal of (and premium, if any) and interest on the Junior Subordinated Debentures will be made at the corporate trust office of the Paying Agent, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided, however*, that at the option of the Company payment of interest may be made (i) by check mailed to the address of the Person entitled thereto as such address shall appear in the Securities Register or (ii) by wire transfer in immediately available funds at such place and to such account as may be designated by the Person entitled thereto as specified in the Securities Register. The office where the Junior Subordinated Debentures may be presented or surrendered for payment and the office where the Junior Subordinated Debentures may be surrendered for transfer or exchange and where notices and demands to or upon the Company in respect of the Junior Subordinated Debentures and the Indenture may be served shall be the corporate trust office of the Paying Agent.

(j) Redemption. Subject to the terms and conditions of Article XI of the Indenture and subject to the Company having received prior approval from the FRB if then required under applicable capital guidelines or policies of the FRB,

(i) the Company shall have the right at any time on or after December 15, 2014, and prior to Maturity, to redeem some or all of the Junior Subordinated Debentures at a make-whole redemption price equal to the greater of (i) 100% of the principal amount of the Junior Subordinated Debentures and (ii) the present value of scheduled payments of principal and interest from the redemption date to Maturity, on the Junior Subordinated Debentures to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at a discount rate equal to the Treasury rate plus a spread of 0.35%, in each case, plus accrued and unpaid interest to the redemption date.

(ii) at any time if a Special Event has occurred and is continuing, and the Company cannot cure the Special Event by some reasonable action, in which case the Company may redeem the Junior Subordinated Debentures in whole within 90 days following the occurrence of the Special Event at 100% of their principal amount plus accrued and unpaid interest.

(k) Sinking Fund. The Junior Subordinated Debentures shall not be subject to any sinking fund or analogous provisions.

(l) Forms. The Junior Subordinated Debentures shall be substantially in the form of Annex A attached hereto, with such modifications thereto as may be approved by the authorized officer executing the same. The Trust Agreement shall be substantially in the

form of Annex B attached hereto, with such modifications thereto as may be approved by the authorized officer executing the same. The Guarantee Agreement shall be substantially in the form of Annex C attached hereto, with such modifications thereto as may be approved by the authorized officer executing the same.

(m) Subordination. The subordination provisions of Article XIII of the Indenture shall apply; *provided, however*, that for the purposes of the Junior Subordinated Debentures (but not for the purposes of any other Securities unless specifically set forth in the terms of such Securities), the definition of "Senior and Subordinated Debt" in the Indenture is hereby amended in its entirety to read as follows:

"'Senior and Subordinated Debt' means the principal of (and premium, if any) and interest, if any (including interest accruing on or after the filing of any petition in bankruptcy or for reorganization relating to the Company whether or not such claim for post-petition interest is allowed in such proceeding), on Debt of the Company (including, for these purposes and without limitation, obligations associated with commodity contracts, interest rate and foreign exchange contracts, forward contracts related to mortgages and other derivative products), whether incurred on or prior to the date of this Indenture or thereafter incurred, *provided, however*, that Senior and Subordinated Debt shall not include the Company's 6.35% Income Capital Obligation Notes underlying the trust preferred securities issued by USB Capital VIII, the Company's Junior Subordinated Notes underlying the 6.189% Fixed-to-Floating Rate Normal Income Trust Securities issued by USB Capital IX, the Company's 6.50% Income Capital Obligation Notes underlying the trust preferred securities issued by USB Capital X and the Company's 6.60% Income Capital Obligation Notes underlying the trust preferred securities issued by USB Capital XI and the Company's 6.30% Income Capital Obligation Notes underlying the trust preferred securities issued by USB Capital XII, *Pari Passu* Securities or the Company's trade account payables and accrued liabilities arising in the ordinary course of business."

(n) Special Record Date for the Payment of Deferred Interest. The Company may elect to make a payment of any Deferred Interest on a date that is not an Interest Payment Date to the Persons in whose names the Junior Subordinated Debentures are registered at the close of business on a Special Record Date for the payment of such Deferred Interest, which shall be fixed in the following manner. The Company shall notify the Trustee and the Paying Agent in writing of the amount of Deferred Interest proposed to be paid on the Junior Subordinated Debentures and the date of the proposed payment, and at the same time the Company shall deposit with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Deferred Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Deferred Interest as provided herein. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Deferred Interest which shall be not more than 15 days and not less than ten days prior to the date of the proposed payment and not less than ten days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company and the Paying

Agent of such Special Record Date and, in the name and at the expense of the Company, the Paying Agent shall cause notice of the proposed payment of such Deferred Interest and the Special Record Date therefor to be mailed, first-class, postage prepaid, to each Holder of Junior Subordinated Debentures at the address of such Holder as it appears in the Securities Register not less than ten days prior to such Special Record Date. CUSIP No. 902973AU0

U.S. BANCORP, a corporation organized and existing under the laws of the State of Delaware (hereinafter called the “Company,” which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to Wilmington Trust Company, the Property Trustee of USB CAPITAL XIII, or registered assigns, the principal sum of dollars (\$) on December 15, 2039. The Company is authorized to direct payments to U.S. Bank National Association, in its capacity as paying agent under the Trust Agreement (as defined below), or any other paying agent appointed under the terms of the Trust Agreement. The Company further promises to pay interest on said principal sum from December 10, 2009 or from the most recent interest payment date (each such date, an “Interest Payment Date”) on which interest has been paid or duly provided for, semi-annually (subject to deferral as set forth herein) in arrears on June 15 and December 15 of each year, commencing June 15, 2009, at the rate of 6.625% per annum, until the principal hereof shall have become due and payable, and on any overdue principal and (without duplication and to the extent that payment of such interest is enforceable under applicable law) on any overdue installment of interest at the same rate per annum, compounded semi-annually. The amount of interest payable for any period will be computed on the basis of a 360-day year comprised of twelve 30-day months. The amount of interest payable for any period shorter than a full semi-annual period will be computed on the basis of a 30-day month period and, for periods of less than a month, the actual number of days elapsed per 30-day month. In the event that any date on which interest is payable on this Security is not a Business Day, then a payment of the interest payable on such date will be made on the next succeeding day which is a Business Day (and without any interest or other payment in respect of any such delay). A “Business Day” shall mean any day other than (i) a Saturday or Sunday, (ii) a day on which banking institutions in The City of New York are authorized or required by law or executive order to remain closed or (iii) a day on which the Corporate Trust Office of the Property Trustee or the principal offices of the Property Trustee under the Trust Agreement hereinafter referred to for USB CAPITAL XIII, is closed for business. The interest installment so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest installment, which shall be (i) the Business Day next preceding such Interest Payment Date if this Security is issued in the form of a Global Security, or (ii) the fifteenth day (whether or not a Business Day) preceding such Interest Payment Date if this Security is not issued in the form of a Global Security. Any such interest installment not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given

to Holders of the Securities of this series not fewer than ten days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of this series may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

The Company shall have the right, at any time and from time to time prior to the Stated Maturity of this Security, to defer the payment of interest thereon for one or more Deferral Periods consisting of no more than 10 consecutive semi-annual periods without giving rise to an Event of Default. The Company may elect to so defer payment of interest by delivering to the Trustee written notice of such election at least ten and not more than 60 Business Days prior to the applicable Interest Payment Date. Notwithstanding the foregoing, no Deferral Period shall extend beyond the Stated Maturity of this Security.

During any Deferral Period, the Company shall not, and shall not permit any Subsidiary of the Company to, (1) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock (which includes common and preferred stock), (2) make any payment of principal of or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Company (including other junior subordinated debt) that rank *pari passu* with or junior in interest to the Junior Subordinated Debentures other than pro rata payment of accrued and unpaid interest on the Junior Subordinated Debentures and any other debt securities of the Company (including other junior subordinated debt) that rank *pari passu* with the Junior Subordinated Debentures except and to the extent the terms of any debt securities that rank *pari passu* with the Junior Subordinated Debentures would prohibit the Company from making such pro rata payment; or (3) make any guarantee payments with respect to any guarantee by the Company of the debt securities of any Subsidiary of the Company (including under other guarantees of junior subordinated debt) if such guarantee ranks *pari passu* with or junior in interest to the Guarantee other than pro rata payments of accrued and unpaid amounts on the Guarantee and any other guarantees of the Company of debt securities of the Company's subsidiaries that rank equally with guarantee except and to the extent that terms of any such debt securities would prohibit from making such pro rata payment, other than in the case of each of clauses (1), (2) and (3): (A) any dividends or distributions in additional shares of the Company's capital stock (which includes common and preferred stock), (B) any payments under the Guarantee with respect to the Capital Securities and common securities of the Trust, (C) any declaration or payment of a dividend in connection with the implementation of a stockholders' rights plan, or any issuance of stock under any such plan in the future or the redemption or repurchase of any such rights pursuant thereto, and (D) any purchases of Common Stock related to the issuance of Common Stock or rights under any of the Company's benefits plans for its directors, officers or employees.

Payment of principal of (and premium, if any) and interest on this Security will be made at the office or agency of the Company maintained for that purpose in the United States, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided, however*, that at the option of the Company payment of interest may be made (i) by check mailed to the address of the Person entitled thereto as such address shall appear in the Securities Register or (ii) by wire transfer in immediately

available funds at such place and to such account as may be designated in writing at least 15 days before the relevant Interest Payment Date by the Person entitled thereto as specified in the Securities Register.

The indebtedness evidenced by this Security is, to the extent provided in the Indenture, subordinated and subject in right of payments to the prior payment in full of all Senior and Subordinated Debt (as such definition is modified in the Seventh Supplemental Indenture with respect to this Security), and this Security is issued subject to the provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Trustee on his behalf to take such actions as may be necessary or appropriate to effectuate the subordination so provided and (c) appoints the Trustee his attorney-in-fact for any and all such purposes. Each Holder hereof, by his acceptance hereof, waives all notice of the acceptance of the subordination provisions contained herein and in the Indenture by each holder of Senior and Subordinated Debt, whether now outstanding or hereafter incurred, and waives reliance by each such holder upon said provisions.

Reference is made hereby to the further provisions of this Security set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed under its corporate seal.

This Security is one of the series designated on the face hereof, limited in aggregate principal amount of \$501,000,000, issuable on one or more occasions.

All terms used in this Security that are defined in the Indenture or in the Amended and Restated Trust Agreement, dated as of December 10, 2009 (the “Trust Agreement”), for USB CAPITAL XIII, among U.S. Bancorp, as Sponsor, and the Trustees named therein, shall have the meanings assigned to them in the Indenture or the Trust Agreement, as the case may be.

Subject to the terms and conditions of Article XI of the Indenture and Section 2.1(j) of the Seventh Supplemental Indenture, and subject to prior approval from the by the Board of Governors of the Federal Reserve System if then required, (i) the Company shall have the right at any time on or after December 15, 2014, and prior to Maturity, to redeem some or all of this Security at a make-whole redemption price equal to the greater of (a) 100% of the principal amount thereof plus accrued and unpaid interest to the redemption date and (b) the present value of scheduled payments of principal and interest from the redemption date to Maturity, on the Securities to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at a discount rate equal to the Treasury rate plus a spread of 0.35%, plus accrued and unpaid interest to the redemption date, and (ii) at any time if a Special Event has occurred and is continuing, and the Company cannot cure that event by some reasonable action, then the Company shall have the right to redeem this Security in whole within 90 days following the occurrence of the Special Event at 100% of the principal amount of the Security plus accrued and unpaid interest to the redemption date.

The Indenture contains provisions for satisfaction and discharge of the entire indebtedness of this Security upon compliance by the Company of certain conditions set forth in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee at any time to enter into a supplemental indenture or indentures for the purpose of

modifying in any manner the rights and obligations of the Company and of the Holders of the Securities, with the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of all series to be affected by such supplemental indenture. The Indenture also contains provisions permitting Holders of specified percentages in principal amount of the Securities of all series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holders of this Security and of any Security issued upon the registration and transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, if an Event of Default with respect to the Securities of this series at the time Outstanding occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of this series may declare the principal amount of all the Securities of this series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders), provided that, in the case of the Securities of this series issued to a Trust, if upon an Event of Default under the Seventh Supplemental Indenture, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of this series fails to declare the principal of all the Securities of this series to be immediately due and payable, the holders of at least 25% in aggregate liquidation amount of the Capital Securities then outstanding shall have such right by a notice in writing to the Company and the Trustee; and upon any such declaration the principal amount of and the accrued interest (including Additional Interest) on all the Securities of this series shall become immediately due and payable, *provided* that the payment of principal and interest (including Additional Interest) on such Securities shall remain subordinated to the extent provided in Article XIII of the Indenture and Section 2.1(m) of the Seventh Supplemental Indenture.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed (subject to the deferral rights of the Company described in the Indenture).

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Securities Register, upon surrender of this Security for registration of transfer at the office or agency of the Company maintained under Section 10.2 of the Indenture duly endorsed by, or accompanied by written instrument of transfer in form satisfactory to the Company and the Securities Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration or transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Securities of this series are issuable only in registered form without coupons in denominations of \$1,000 and in any multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for like aggregate principal amount of Securities of such series of a different authorized denomination, as requested by the Holder surrendering the same.

The Company and, by its acceptance of this Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, this Security agree to treat the Trust as a grantor trust and beneficial owners of interests in the Trust as owning an undivided beneficial interest in the Security and to treat the Security as indebtedness for all United States federal, state and local tax purposes.

THE INDENTURE AND THIS SECURITY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

This is one of the Securities referred to in the mentioned Indenture.

(b) The Property Trustee shall not be deemed to have knowledge of any default except:

(i) a default under Sections 5.1(1) and 5.1(2) of the Indenture; or

(ii) engage in such ministerial activities as shall be necessary or appropriate to effect the redemption of the Capital Securities and the Common Securities to the extent the Debentures are redeemed or mature; and

(iii) upon written notice of distribution issued by the Administrative Trustees in accordance with the terms of the Securities, engage in such ministerial activities as so directed and as shall be necessary or appropriate to effect the distribution of the Debentures to Holders of Securities upon the occurrence of a Special Event.

(d) The Property Trustee shall take all actions and perform such duties as may be specifically required of the Property Trustee pursuant to the terms of this Trust Agreement and the Securities.

(e) The Property Trustee shall take any Legal Action which arises out of or in connection with a Trust Enforcement Event of which a Responsible Officer of the Property Trustee has actual knowledge or the Property Trustee's duties and obligations under this Trust Agreement or the Trust Indenture Act. Notwithstanding the foregoing, if a Trust Enforcement Event has occurred and is continuing and such event is attributable to the failure of the Debenture Issuer to pay interest in full on the Debentures for a period of 30 days after a Deferral Period has continued for more than 10 consecutive semi-annual periods, then a Holder of Capital Securities may directly institute a proceeding against the Debenture Issuer for enforcement of payment to such Holder of the principal of or interest on Debentures having a principal amount equal to the aggregate liquidation amount of the Capital Securities of such Holder (a "Direct Action") on or after the respective due date specified in the Debentures. Notwithstanding anything to the contrary in this Trust Agreement or the Indenture, the Debenture Issuer shall have the right to set-off any payment it is otherwise required to make under the Indenture in respect of any Capital Security to the extent the Debenture Issuer has heretofore made, or is currently on the date of such payment making, a payment under the Guarantee relating to such Capital Security or under Section 5.8 of the Indenture.

(f) The Property Trustee shall continue to serve as a Trustee until either:

(i) the Trust has been completely liquidated and the proceeds of the liquidation distributed to the Holders of Securities pursuant to the terms of the Securities; or

(ii) a Successor Property Trustee has been appointed and has accepted that appointment in accordance with Section 6.6.

(g) The Property Trustee shall have the legal power to exercise all of the rights, powers and privileges of a holder of Debentures under the Indenture and, if a Trust Enforcement Event actually known to a Responsible Officer of the Property Trustee occurs and is continuing, the Property Trustee shall, for the benefit of Holders of the Securities, enforce its rights as holder of the Debentures subject to the rights of the Holders pursuant to the terms of such Securities.

(h) [Reserved]

(i) Subject to this Section 3.8, the Property Trustee shall have none of the duties, liabilities, powers or the authority of the Administrative Trustees set forth in Section 3.6.

The Property Trustee shall exercise the powers set forth in this Section 3.8 in a manner that is consistent with the purposes and functions of the Trust set out in Section 3.3, and the Property Trustee shall have no power to, and shall not, take any action that is inconsistent with the purposes and functions of the Trust set out in Section 3.3.

SECTION 3.9. Certain Duties and Responsibilities of the Property Trustee.

(a) The Property Trustee, before the occurrence of any Trust Enforcement Event and after the curing of all Trust Enforcement Events that may have occurred, shall undertake to perform only such duties as are specifically set forth in this Trust Agreement and no implied covenants shall be read into this Trust Agreement against the Property Trustee. In case a Trust Enforcement Event has occurred (that has not been cured or waived pursuant to Section 2.6) of which a Responsible Officer of the Property Trustee has actual knowledge, the Property Trustee shall exercise such of the rights and powers vested in it by this Trust Agreement, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) No provision of this Trust Agreement shall be construed to relieve the Property Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) prior to the occurrence of a Trust Enforcement Event and after the curing or waiving of all such Trust Enforcement Events that may have occurred:

- a. the duties and obligations of the Property Trustee shall be determined solely by the express provisions of this Trust Agreement and the Property Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Trust Agreement, and no implied covenants or obligations shall be read into this Trust Agreement against the Property Trustee; and
- b. in the absence of bad faith on the part of the Property Trustee, the Property Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Property Trustee and conforming to the requirements of this Trust Agreement; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Property Trustee, the Property Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Trust Agreement;

(ii) the Property Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Property Trustee, unless it shall be proved that the Property Trustee was negligent in ascertaining the pertinent facts;

(iii) the Property Trustee shall not be liable with respect to any action taken or omitted to be taken by it without negligence, in good faith in accordance with the direction of the Holders of not less than a Majority in Liquidation Amount of the Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Property Trustee, or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement;

(iv) no provision of this Trust Agreement shall require the Property Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it under the terms of this Trust Agreement or indemnity reasonably satisfactory to the Property Trustee against such risk or liability is not reasonably assured to it;

(v) the Property Trustee's sole duty with respect to the custody, safe-keeping and physical preservation of the Debentures and the Property Account shall be to deal with such property in a similar manner as the Property Trustee deals with similar property for its own account, subject to the protections and limitations on liability afforded to the Property Trustee under this Trust Agreement and the Trust Indenture Act;

(vi) the Property Trustee shall have no duty or liability for or with respect to the value, genuineness, existence or sufficiency of the Debentures or the payment of any taxes or assessments levied thereon or in connection therewith;

(vii) the Property Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree with the Sponsor. Money held by the Property Trustee need not be segregated from other funds held by it except in relation to the Property Account maintained by the Property Trustee pursuant to Section 3.8(c)(i) and except to the extent otherwise required by law; and

(viii) the Property Trustee shall not be responsible for monitoring the compliance by the Administrative Trustees or the Sponsor with their respective duties under this Trust Agreement, nor shall the Property Trustee be liable for any default or misconduct of the Administrative Trustees or the Sponsor.

SECTION 3.10. Certain Rights of Property Trustee.

(a) Subject to the provisions of Section 3.9:

(i) the Property Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(ii) any direction or act of the Sponsor or the Administrative Trustees contemplated by this Trust Agreement shall be sufficiently evidenced by an Officers' Certificate;

(iii) whenever in the administration of this Trust Agreement, the Property Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Property Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, request and conclusively rely upon an Officers' Certificate which, upon receipt of such request, shall be promptly delivered by the Sponsor or the Administrative Trustees;

(iv) the Property Trustee shall have no duty to see to any recording, filing or registration of any instrument (including any financing or continuation statement or any filing under tax or securities laws) or any rerecording, refiling or registration thereof;

(v) the Property Trustee may consult with counsel of its choice or other experts and the advice or opinion of such counsel and experts with respect to legal matters or advice within the scope of such experts' area of expertise shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with such advice or opinion; such counsel may be counsel to the Sponsor or any of its Affiliates, and may include any of its employees. The Property Trustee shall have the right at any time to seek instructions concerning the administration of this Trust Agreement from any court of competent jurisdiction;

(vi) the Property Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of any Holder, unless such Holder shall have provided to the Property Trustee security and indemnity, reasonably satisfactory to the Property Trustee, against the costs, expenses (including reasonable attorneys' fees and expenses and the expenses of the Property Trustee's agents, nominees or custodians) and liabilities that might be incurred by it in complying with such request or direction, including such reasonable advances as may be requested by the Property Trustee; provided that, nothing contained in this Section 3.10(a) shall be taken to relieve the Property Trustee, upon the occurrence of a Trust Enforcement Event, of its obligation to exercise the rights and powers vested in it by this Trust Agreement;

(vii) the Property Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Property Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit;

(viii) the Property Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, custodians, nominees or attorneys and the Property Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder, provided that such agent, custodian, nominee or attorney is a United States Person as defined in Section 7701(a)(30) of the Code;

(ix) any authorized or required action taken by the Property Trustee or its agents hereunder shall bind the Trust and the Holders of the Securities, and the signature of the Property Trustee or its agents alone shall be sufficient and effective to perform any such action and no third party shall be required to inquire as to the authority of the Property Trustee to so act or as to its compliance with any of the terms and provisions of this Trust Agreement, both of which shall be conclusively evidenced by the Property Trustee's or its agent's taking such action;

(x) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action hereunder, the Property Trustee (i) may request instructions from the Holders of the Securities, which instructions may only be given by the Holders of the same proportion in liquidation amount of the Securities as would be entitled to direct the Property Trustee under the terms of the Securities in respect of such remedy, right or action, (ii) may refrain from enforcing such remedy or right or taking such other action until such instructions are received, and (iii) shall be protected in conclusively relying on or acting in accordance with such instructions;

(xi) except as otherwise expressly provided by this Trust Agreement, the Property Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Trust Agreement;

(xii) the Property Trustee shall not be liable for any action taken, suffered or omitted to be taken by it without negligence or willful misconduct, in good faith and reasonably believed by it to be authorized or within the discretion, rights or powers conferred upon it by this Trust Agreement;

(xiii) without prejudice to any other rights available to the Property Trustee under applicable law, when the Property Trustee incurs expenses or renders services in connection with a bankruptcy, such expenses (including the fees and expenses of its counsel) and the compensation for such services are

intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally; and

(xiv) the Property Trustee shall not be charged with knowledge of a Trust Enforcement Event unless a Responsible Officer of the Property Trustee obtains actual knowledge of such event or the Property Trustee receives written notice of such event from Holders holding more than a Majority in Liquidation Amount of the Capital Securities;

(b) No provision of this Trust Agreement shall be deemed to impose any duty or obligation on the Property Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which the Property Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Property Trustee shall be construed to be a duty.

SECTION 3.11. Delaware Trustee.

Notwithstanding any other provision of this Trust Agreement other than Section 6.2, the Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities of the Administrative Trustees or the Property Trustee described in this Trust Agreement. Except as set forth in Section 6.2, the Delaware Trustee shall be a Trustee for the sole and limited purpose of fulfilling the requirements of Section 3807(a) of the Delaware Statutory Trust Act. In the event the Delaware Trustee shall at any time be required to take any action or perform any duty hereunder with respect to the Trust, the Delaware Trustee shall be entitled to all of the same rights as the Property Trustee listed in Section 3.9(b) and Section 3.10.

SECTION 3.12. Execution of Documents.

Except as otherwise required by the Delaware Statutory Trust Act or applicable law, any Administrative Trustee is authorized to execute on behalf of the Trust any documents that the Administrative Trustees have the power and authority to execute pursuant to Section 3.6.

SECTION 3.13. Not Responsible for Recitals or Issuance of Securities.

The recitals contained in this Trust Agreement and the Securities shall be taken as the statements of the Sponsor, and the Trustees do not assume any responsibility for their correctness. The Trustees make no representations as to the value or condition of the property of the Trust or any part thereof. The Trustees make no representations as to the validity or sufficiency of this Trust Agreement, the Securities, the Debentures or the Indenture.

SECTION 3.14. Duration of Trust.

The Trust shall exist until dissolved and terminated pursuant to the provisions of Article 8 hereof.

SECTION 3.15. Mergers.

(a) The Trust may not consolidate, amalgamate, merge with or into, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to any Person, except as described in Section 3.15(b) and (c) or Section 8.2.

(b) The Trust may, at the request of the Sponsor and with the consent of the Administrative Trustees or, if there are more than two, a majority of the Administrative Trustees and without the consent of the Holders of the Securities, the Delaware Trustee or the Property Trustee, consolidate, amalgamate, merge with or into, or be replaced by or convey, transfer or lease its properties substantially as an entirety to a trust organized as such under the laws of any State; provided, that:

(i) if the Trust is not the successor, such successor entity (the "Successor Entity") either:

- a. expressly assumes all of the obligations of the Trust with respect to the Securities; or
- b. substitutes for the Capital Securities other securities having substantially the same terms as the Capital Securities (the "Successor Securities") so long as the Successor Securities rank the same as the Capital Securities rank in priority with respect to Distributions and payments upon liquidation, redemption and otherwise;

(ii) the Debenture Issuer expressly appoints a trustee of such Successor Entity that possesses the same powers and duties as the Property Trustee as the holder of the Debentures;

(iii) the Capital Securities or any Successor Securities are listed, or any Successor Securities will be listed upon notification of issuance, on any national securities exchange or with any other or organization on which the Capital Securities are then listed or quoted;

(iv) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not cause the Capital Securities (including any Successor Securities) to be downgraded by any nationally recognized statistical rating organization;

(v) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Capital Securities (including any Successor Securities) in any material respect;

(vi) such Successor Entity has a purpose substantially identical to that of the Trust;

(vii) prior to such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease the Sponsor has received an opinion of independent counsel to the Trust experienced in such matters to the effect that:

- a. such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Capital Securities (including any Successor Securities) in any material respect;
- b. following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease neither the Trust nor the Successor Entity will be required to register as an Investment Company; and
- c. following such merger, consolidation, amalgamation or replacement, the Trust (or the Successor Entity) will continue to be classified as a grantor trust for United States federal income tax purposes;

(viii) the Sponsor or any permitted successor or assignee owns all of the common securities and guarantees the obligations of such Successor Entity under the Successor Securities at least to the extent provided by the guarantee relating to the Successor Securities and such Successor Entity expressly assumes all of the obligations of the Trust with respect to the Trustees.

(c) Notwithstanding Section 3.15(b), the Trust shall not, except with the consent of Holders of 100% in aggregate liquidation amount of the Securities, consolidate, amalgamate, merge with or into, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to, any other entity or permit any other entity to consolidate, amalgamate, merge with or into, or replace it, if such consolidation, amalgamation, merger, replacement, conveyance, transfer or lease would cause the Trust or Successor Entity to be classified as other than a grantor trust for United States federal income tax purposes and each Holder of the Securities not to be treated as owning an undivided interest in the Debentures.

SECTION 3.16. Property Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other similar judicial proceeding relative to the Trust or any other obligor upon the Securities or the property of the Trust or of such other obligor or their creditors, the Property Trustee (irrespective of whether any Distributions on the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Property Trustee shall have made any demand on the Trust for the payment of any past due Distributions) shall be entitled and empowered, to the fullest extent permitted by law, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of any Distributions owing and unpaid in respect of the Securities (or, if the Securities are original issue discount Securities, such portion of the liquidation amount as may be specified in the terms of such Securities) and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Property Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its and counsel) and of the Holders allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Property Trustee and, in the event the Property Trustee shall consent to the making of such payments directly to the Holders, to pay to the Property Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel, and any other amounts due the Property Trustee.

Nothing herein contained shall be deemed to authorize the Property Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement adjustment or compensation affecting the Securities or the rights of any Holder thereof or to authorize the Property Trustee to vote in respect of the claim of any Holder in any such proceeding.

ARTICLE 4

SPONSOR

SECTION 4.1. Responsibilities of the Sponsor.

In connection with the issue of the Capital Securities, the Sponsor shall have the exclusive right and responsibility to engage in the following activities:

(a) to prepare for filing by the Trust with the Commission under the Securities Act or the Exchange Act, and execute on behalf of the Trust, one or more registration statements on the applicable forms, including any amendments thereto, pertaining to the Capital Securities, the Guarantee and the Debentures;

(b) to determine the States in which to take appropriate action to qualify or register for sale all or part of the Capital Securities and to do any and all such acts, other than actions which must be taken by the Trust, and advise the Trust of actions it must take, and prepare for execution and filing any documents to be executed and filed by the Trust, as the Sponsor deems necessary or advisable in order to comply with the applicable laws of any such States; and

(c) to negotiate the terms of, and execute, an underwriting agreement and other related agreements providing for the sale of the Capital Securities.

SECTION 4.2. Indemnification and Fees and Expenses of the Trustees.

The Sponsor, in its capacity as Debenture Issuer, agrees to indemnify the Property Trustee and the Delaware Trustee for, and to hold each of them harmless against, any loss, liability or expense incurred without negligence or bad faith on the part of the Property Trustee or the Delaware Trustee, as the case may be, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending either of them against any claim or liability in connection with the exercise or performance of any of their respective powers or duties hereunder; the provisions of this Section 4.2 shall survive the resignation or removal of the Delaware Trustee or the Property Trustee or the termination of this Trust Agreement.

SECTION 4.3. Compensation of the Trustees.

The Sponsor agrees to pay the Property Trustee and the Delaware Trustee from time to time such compensation for all services rendered by the Property Trustee and the Delaware Trustee hereunder as may be mutually agreed upon in writing by the Sponsor and the Property Trustee or the Delaware Trustee, as the case may be, and, except as otherwise expressly provided herein, to reimburse the Property Trustee and the Delaware Trustee upon its or their request for all reasonable expenses, disbursements and advances incurred or made by the Property Trustee or the Delaware Trustee, as the case may be, in accordance with the provisions of this Trust Agreement, except any such expense, disbursement or advance as may be attributable to its or their negligence or bad faith.

SECTION 4.4. Exchanges.

(a) If at any time the Sponsor or any of its Affiliates (in either case, a "Sponsor Affiliated Holder") is the Holder of any Capital Securities, such Sponsor Affiliated Holder shall have the right to deliver to the Property Trustee via the Security Registrar all or such portion of its Capital Securities as it elects and receive, in exchange therefor, Debentures in an aggregate principal amount equal to the stated liquidation amount of, with an interest rate identical to the distribution rate of, and accrued and unpaid interest equal to accumulated and unpaid Distributions on, the Capital Securities. Such election (i) shall be exercisable by such Sponsor Affiliated Holder delivering to the Property Trustee and the Security Registrar a written notice of such election specifying the liquidation amount of the Capital Securities with respect to which such election is being made and the date on which such exchange shall occur, which date shall be not less than ten Business Days after the date of receipt by the Property Trustee and the Security Registrar of such election notice and which may be any date other than a record date for any Distribution or a date from such record date to and including the Distribution Date for such Distribution and (ii) shall be conditioned upon such Sponsor Affiliated Holder having delivered or caused to be delivered to the Property Trustee or its designee via the Security Registrar the Capital Securities which are the subject of such election by 10:00 A.M. New York time, on the date on which such exchange is to occur. After the exchange, such Capital Securities will be cancelled and will no longer be deemed to be Outstanding and all rights of the Sponsor or its Affiliate(s) with respect to such Capital Securities, including accumulated but unpaid Distributions, will cease. In the event such

Capital Securities are book entry interests, upon such exchange the Security Registrar shall cause an annotation to be made on the related Global Security or certificates evidencing such book entry interests to evidence the reduction in the liquidation amount thereof resulting from such cancellation.

(b) In the case of an exchange described in Section 4.4(a), the Trust will, on the date of such exchange, exchange Debentures having a principal amount equal to a proportional amount of the aggregate liquidation amount of the outstanding Common Securities, based on the ratio of the aggregate liquidation amount of the Capital Securities exchanged pursuant to Section 4.4(a) divided by the aggregate liquidation amount of the Capital Securities outstanding immediately prior to such exchange, for such proportional amount of Common Securities held by the Sponsor (which contemporaneously shall be cancelled and no longer be deemed to be outstanding); *provided*, that the Sponsor delivers or causes to be delivered to the Property Trustee or its designee the required amount of Common Securities to be exchanged by 10:00 A.M. New York time, on the date on which such exchange is to occur.

(c) Notwithstanding anything else in this Trust Agreement to the contrary, in order to effectuate the exchanges contemplated in Section 4.4(a) above, the Trust is hereby authorized to execute, deliver and perform, and the Sponsor, the Trustees or the Security Registrar, on behalf of the Trust, acting singly or collectively, are hereby authorized to execute and deliver on behalf of the Trust, an exchange agreement, cancellation letter, and any and all other documents, agreements, or certificates contemplated by or related to the exchanges made pursuant to Section (a) above, in each case without further vote or approval of any other Person. For the avoidance of doubt, the exchanges contemplated in this Section 4.4 shall not be deemed “redemptions” for any purposes of this Trust Agreement or the terms of the Capital Securities.

ARTICLE 5

TRUST COMMON SECURITIES HOLDER

SECTION 5.1. Debenture Issuer’s Receipt of Common Securities.

On the Closing Date, the Debenture Issuer will receive all of the Common Securities issued by the Trust on the same date in exchange for Debentures issued to the Trust by the Debenture Issuer. The Common Securities will be issued in a total liquidation amount of \$1,000,000.

The aggregate stated liquidation amount of Common Securities outstanding at any time shall not be less than \$1,000,000, except as may be reduced in accordance with Section 4.4(b).

SECTION 5.2. Covenants of the Common Securities Holder.

For so long as the Capital Securities remain outstanding, the Common Securities Holder will covenant (i) to maintain directly 100% ownership of the Common Securities, (ii) to cause the Trust to remain a statutory trust and not to voluntarily dissolve, wind up, liquidate or be

terminated, except as permitted by this Trust Agreement, (iii) to use its commercially reasonable efforts to ensure that the Trust will not be an investment company for purposes of the Investment Company Act, and (iv) to take no action which would be reasonably likely to cause the Trust to be classified as other than a grantor trust for United States federal income tax purposes.

ARTICLE 6

TRUSTEES

SECTION 6.1. Number of Trustees.

The number of Trustees initially shall be five, and:

- (a) at any time before the issuance of any Securities, the Sponsor may, by written instrument, increase or decrease the number of Trustees;
- (b) after the issuance of any Securities, the number of Trustees may be increased or decreased by vote of the Holders of a Majority in Liquidation Amount of the Common Securities voting as a class at a meeting of the Holders of the Common Securities or by written consent in lieu of such meeting; provided that the number of Trustees shall be at least three; and provided further that (1) the Delaware Trustee, in the case of a natural person, shall be a person who is a resident of the State of Delaware or that, if not a natural person, is an entity which has its principal place of business in the State of Delaware and otherwise meets the requirements of applicable law; (2) at least one Administrative Trustee is an employee or officer of, or is affiliated with, the Sponsor; and (3) one Trustee shall be the Property Trustee for so long as this Trust Agreement is required to qualify as an indenture under the Trust Indenture Act, and such Trustee may also serve as Delaware Trustee if it meets the applicable requirements;
- (c) at all times, the Property Trustee must be (i) a bank as defined in Section 581 of the Code or (ii) a U.S. government-owned agency or U.S. government sponsored enterprise; and
- (d) at all times, each Trustee must be a United States Person as defined in Section 7701(a)(30) of the Code.

SECTION 6.2. Delaware Trustee; Eligibility.

- (a) a natural person who is a resident of the State of Delaware; or
- (b) if not a natural person, an entity which has its principal place of business in the State of Delaware, and otherwise meets the requirements of applicable law,

provided that, if the Property Trustee has its principal place of business in the State of Delaware and otherwise meets the requirements of applicable law, then the Property Trustee shall also be the Delaware Trustee and Section 3.11 shall have no application.

SECTION 6.3. Property Trustee; Eligibility.

(a) There shall at all times be one Trustee (which may be the Delaware Trustee) which shall act as Property Trustee which shall:

(i) not be an Affiliate of the Sponsor; and

(ii) be a corporation organized and doing business under the laws of the United States of America or any State or Territory thereof or of the District of Columbia, or a corporation or other Person permitted by the Commission to act as an institutional trustee under the Trust Indenture Act, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least 50 million U.S. dollars (\$50,000,000), and subject to supervision or examination by federal, State, Territorial or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the supervising or examining authority referred to above, then for the purposes of this Section 6.3(a)(ii), the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) If at any time the Property Trustee shall cease to be eligible to so act under Section 6.3(a), the Property Trustee shall immediately resign in the manner and with the effect set forth in Section 6.6(c).

(c) If the Property Trustee has or shall acquire any “conflicting interest” within the meaning of Section 310(b) of the Trust Indenture Act, the Property Trustee and the Holder of the Common Securities (as if it were the obligor referred to in Section 310(b) of the Trust Indenture Act) shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

(d) The Guarantee shall be deemed to be specifically described in this Trust Agreement for purposes of clause (i) of the first proviso contained in Section 310(b) of the Trust Indenture Act.

- (i) until the issuance of any Securities, by written instrument executed by the Sponsor;
- (ii) after the issuance of any Securities (but prior to the occurrence of an Indenture Event of Default), by vote of the Holders of a Majority in Liquidation Amount of the Common Securities voting as a class at a meeting of the Holders of the Common Securities; and
- (iii) after the issuance of the Capital Securities and the occurrence of an Indenture Event of Default, and only with respect to each of the Property Trustee and Delaware Trustee, by vote of the Holders of a Majority in Liquidation Amount of the Capital Securities.

(b) The Trustee that acts as Property Trustee shall not be removed in accordance with Section 6.6(a) until a successor Trustee possessing the qualifications to act as Property Trustee under Section 6.3(a) (a "Successor Property Trustee") has been appointed and has accepted such appointment by written instrument executed by such Successor Property Trustee and delivered to the Administrative Trustees and the Sponsor. The Trustee that acts as Delaware Trustee shall not be removed in accordance with Section 6.6(a) until a successor Trustee possessing the qualifications to act as Delaware Trustee under Sections 6.2 and 6.4 (a "Successor Delaware Trustee") has been appointed and has accepted such appointment by written instrument executed by such Successor Delaware Trustee and delivered to the Administrative Trustees and the Sponsor.

(c) A Trustee appointed to office shall hold office until his or its successor shall have been appointed, until his death or its dissolution or until his or its removal or resignation. - (i) no such resignation of the Trustee that acts as the Property Trustee shall be effective:
 - a. until a Successor Property Trustee has been appointed and has accepted such appointment by instrument executed by

such Successor Property Trustee and delivered to the Trust, the Sponsor and the resigning Property Trustee; or

b. until the assets of the Trust have been completely liquidated and the proceeds thereof distributed to the holders of the Securities; and

(ii) no such resignation of the Trustee that acts as the Delaware Trustee shall be effective until a Successor Delaware Trustee has been appointed and has accepted such appointment by instrument executed by such Successor Delaware Trustee and delivered to the Trust, the Sponsor and the resigning Delaware Trustee.

(d) The Holders of the Common Securities shall use their best efforts to promptly appoint a Successor Delaware Trustee or Successor Property Trustee, as the case may be, if the Property Trustee or the Delaware Trustee delivers an instrument of resignation in accordance with this Section 6.6.

(e) If no Successor Property Trustee or Successor Delaware Trustee, as the case may be, shall have been appointed and accepted appointment as provided in this Section 6.6 within 60 days after delivery to the Sponsor and the Trust of an instrument of resignation or removal, the resigning or removed Property Trustee or Delaware Trustee, as applicable, may petition any court of competent jurisdiction in the U.S. for appointment of a Successor Property Trustee or Successor Delaware Trustee, as applicable. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Successor Property Trustee or Successor Delaware Trustee, as the case may be.

(f) No Property Trustee or Delaware Trustee shall be liable for the acts or omissions to act of any Successor Property Trustee or Successor Delaware Trustee, as the case may be.

SECTION 6.7. Vacancies among Trustees.

If a Trustee ceases to hold office for any reason and the number of Trustees is not reduced pursuant to Section 6.1, or if the number of Trustees is increased pursuant to Section 6.1, a vacancy shall occur. A resolution certifying the existence of such vacancy by the Administrative Trustees or, if there are more than two, a majority of the Administrative Trustees shall be conclusive evidence of the existence of such vacancy. The vacancy shall be filled with a Trustee appointed in accordance with Section 6.6.

SECTION 6.8. Effect of Vacancies.

The death, resignation, retirement, removal, bankruptcy, dissolution, liquidation, incompetence or incapacity to perform the duties of a Trustee shall not operate to annul, dissolve or terminate the Trust. Whenever a vacancy in the number of Administrative Trustees shall occur, until such vacancy is filled by the appointment of an Administrative Trustee in accordance with Section 6.6, the Administrative Trustees in office, regardless of their number, shall have all

the powers granted to the Administrative Trustees and shall discharge all the duties imposed upon the Administrative Trustees by this Trust Agreement.

SECTION 6.9. Meetings.

If there is more than one Administrative Trustee, meetings of the Administrative Trustees shall be held from time to time upon the call of any Administrative Trustee. Regular meetings of the Administrative Trustees may be held at a time and place fixed by resolution of the Administrative Trustees. Notice of any in-person meetings of the Administrative Trustees shall be hand delivered or otherwise delivered in writing (including by facsimile, with a hard copy by overnight courier) not less than 48 hours before such meeting. Notice of any telephonic meetings of the Administrative Trustees shall be hand delivered or otherwise delivered in writing (including by facsimile, with a hard copy by overnight courier) not less than 24 hours before a meeting. Notices shall contain a brief statement of the time, place and anticipated purposes of the meeting. The presence (whether in person or by telephone) of an Administrative Trustee at a meeting shall constitute a waiver of notice of such meeting except where an Administrative Trustee attends a meeting for the express purpose of objecting to the transaction of any activity on the ground that the meeting has not been lawfully called or convened. Unless provided otherwise in this Trust Agreement, any action of the Administrative Trustees may be taken at a meeting by vote of a majority of the Administrative Trustees present (whether in person or by telephone) and eligible to vote with respect to such matter, provided that a Quorum is present, or without a meeting by the unanimous written consent of the Administrative Trustees. In the event there is only one Administrative Trustee, any and all action of such Administrative Trustee shall be evidenced by a written consent of such Administrative Trustee.

SECTION 6.10. Delegation of Power.

(a) Any Administrative Trustee may, by power of attorney consistent with applicable law, delegate to any natural person over the age of 21 his, her or its power for the purpose of executing any documents contemplated in Section 3.6 or making any governmental filing; provided that such person is a United States Person as defined in Section 7701(a)(30) of the Code.

(b) The Administrative Trustees shall have power to delegate from time to time to such of their number or to officers of the Trust the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Administrative Trustees or otherwise as the Administrative Trustees may deem expedient, to the extent such delegation is not prohibited by applicable law or contrary to the provisions of the Trust, as set forth herein; provided, that such person is a United States Person as defined in Section 7701(a)(30) of the Code.

SECTION 6.11. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Property Trustee, the Delaware Trustee or any Administrative Trustee that is not a natural person may be merged or converted or with such Trustee may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any corporation succeeding to all or

substantially all the corporate trust business of such Trustee shall be the successor of such Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

ARTICLE 7
TERMS OF SECURITIES

SECTION 7.1. General Provisions Regarding Securities.

(a) The Administrative Trustees shall on behalf of the Trust issue one class of capital securities representing undivided beneficial interests in the assets of the Trust and one class of common securities representing undivided beneficial interests in the assets of the Trust.

(i) Capital Securities. The Capital Securities of the Trust have an aggregate liquidation amount with respect to the assets of the Trust of up to Five Hundred Million dollars (\$500,000,000) with respect to the closing of the sale of Capital Securities on one or more occasions. The Capital Securities are hereby designated for identification purposes only as “6.625% Trust Preferred Securities” (the “Capital Securities”). The Capital Security Certificates evidencing the Capital Securities shall be substantially in the form of Exhibit A to this Trust Agreement, with such changes and additions thereto or deletions therefrom as may be required by ordinary usage, custom or practice or to conform to the rules of any stock exchange on which the Capital Securities are listed or quoted.

(ii) Common Securities. The Common Securities of the Trust have an aggregate liquidation amount with respect to the assets of the Trust of up to one million dollars (\$1,000,000) with respect to the closing of the sale of Common Securities on one or more occasions. The Common Securities are hereby designated for identification purposes only as “6.625% Common Securities” (the “Common Securities” and, together with the Capital Securities, the “Securities”). The Common Security Certificates evidencing the Common Securities shall be substantially in the form of Exhibit B to this Trust Agreement, with such changes and additions thereto or deletions therefrom as may be required by ordinary usage, custom or practice.

(b) Payment of Distributions on, and payment of the Redemption Price upon a redemption of, the Capital Securities and the Common Securities, as applicable, shall be made Pro Rata based on the liquidation amount of such Capital Securities and Common Securities; *provided, however*, that if on any date on which amounts payable on distribution or redemption, an Indenture Event of Default shall have occurred and be continuing, no payment of any Distribution on, or Redemption Price of, any of the Common Securities, and no other payment on account of the redemption, liquidation or other acquisition of such Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions on all of the outstanding Capital Securities for all Distribution periods terminating on or prior thereto, or, in

the case of amounts payable on redemption, the full amount of the Redemption Price for all of the outstanding Capital Securities then called for redemption, shall have been made or provided for, and all funds available to the Property Trustee shall first be applied to the payment in full in cash of all Distributions on, or the Redemption Price of, the Capital Securities then due and payable. The Trust shall issue no securities or other interests in the assets of the Trust other than the Capital Securities and the Common Securities.

(c) The Certificates shall be signed on behalf of the Trust by an Administrative Trustee. Such signature shall be the manual or facsimile signature of any present or any future Administrative Trustee. In case an Administrative Trustee of the Trust who shall have signed any of the Certificates shall cease to be such Administrative Trustee before the Certificates so signed shall be delivered by the Trust, such Certificates nevertheless may be delivered as though the person who signed such Certificates had not ceased to be such Administrative Trustee; and any Certificate may be signed on behalf of the Trust by such persons who, at the actual date of execution of such Certificate, shall be the Administrative Trustees of the Trust, although at the date of the execution and delivery of the Trust Agreement any such person was not such an Administrative Trustee. Certificates shall be printed, lithographed or engraved or may be produced in any other manner as is reasonably acceptable to the Administrative Trustees, as evidenced by their execution thereof, and may have such letters, numbers or other marks of identification or designation and such legends or endorsements as the Administrative Trustees may deem appropriate, or as may be required to comply with any law or with any rule or regulation of any stock exchange on which Securities may be listed, or to conform to usage.

A Certificate representing Capital Securities shall not be valid until authenticated by the manual signature of an authorized officer of the Property Trustee. Such signature shall be conclusive evidence that such Certificate has been authenticated under this Trust Agreement.

Upon a written order of the Trust signed by one Administrative Trustee, the Property Trustee shall authenticate the Certificates representing Capital Securities for original issue. The aggregate amount of Capital Securities outstanding at any time shall not exceed the liquidation amount set forth in Section 7.1(a)(i).

The Property Trustee may appoint an authenticating agent acceptable to the Trust to authenticate Certificates. An authenticating agent may authenticate Certificates whenever the Property Trustee may do so. Each reference in this Trust Agreement to authentication by the Property Trustee includes authentication by such agent. An authenticating agent has the same rights as the Property Trustee to deal with the Sponsor or an Affiliate of the Sponsor.

(d) The consideration received by the Trust for the issuance of the Securities shall constitute a contribution to the capital of the Trust and shall not constitute a loan to the Trust.

(e) Upon issuance of the Securities as provided in this Trust Agreement, the Securities so issued shall be deemed to be validly issued, fully paid and non-assessable undivided beneficial interests in the assets of the Trust.

(f) Every Person, by virtue of having become a Holder or a Capital Security Beneficial Owner in accordance with the terms of this Trust Agreement, shall be deemed to have expressly assented and agreed to the terms of, and shall be bound by, this Trust Agreement and the terms of the Securities.

(g) The holders of the Securities shall have no preemptive or similar rights.

SECTION 7.2. Distributions.

(a) As owners of undivided beneficial ownership interests in the Debentures, holders of Securities shall be entitled (subject to the last sentence of this Section 7.2(a)) to receive cumulative cash Distributions at the rate per annum of 6.625% of the stated liquidation amount of \$1,000 per Security. Pursuant to the Indenture, the amount of interest on the Debentures payable for any period shorter than a full semi-annual interest period, and, as a result, Distributions on the Securities payable for any period shorter than a full semi-annual distribution period shall be computed on the basis of a 30-day month and for periods of less than a month, the actual number of days elapsed per 30-day month. Subject to Section 7.1(b), Distributions shall be made on the Capital Securities and the Common Securities on a Pro Rata basis. Pursuant to the Indenture, interest on the Debentures shall, from the date of original issue, accrue and be cumulative, and, as a result Distributions on the Securities shall, from the date of original issue, accumulate and be cumulative. Distributions shall be payable semi-annually in arrears on June 15 and December 15 of each year, commencing June 15, 2010, when, as and if available for payment, by the Property Trustee, except as otherwise described below. Distributions are payable only to the extent that payments are made by the Debenture Issuer in respect of the Debentures held by the Property Trustee and to the extent that the Trust has funds available for the payment of such Distributions in the Property Account.

(b) Pursuant to the Indenture, interest not paid on the scheduled payment date will accrue and compound semi-annually at the rate of 6.625% per annum, and, as a result, interest on the Debentures not paid on the scheduled payment date will accrue and compound semi-annually at the rate of 6.625% per annum (and, as a result) the Distributions on the Securities will accumulate and compound at the rate of 6.625% per annum (“Compounded Distributions”). “Distributions” shall mean ordinary cumulative distributions together with any Compounded Distributions.

(c) If and to the extent that the Debenture Issuer makes a payment of interest, premium and/or principal on the Debentures held by the Property Trustee (the amount of any such payment being a “Payment Amount”), the Property Trustee shall and is directed, to the extent funds are available for that purpose, make a Pro Rata distribution of the Payment Amount to Holders, subject to Section 7.1(b).

(d) Distributions on the Securities shall be payable to the Holders thereof as they appear on the register of the Trust as of the close of business on the relevant record dates. While the Capital Securities are represented by one or more Global Securities, the relevant record dates shall be the close of business the Business Day preceding such Distribution payment date; otherwise the relevant record date shall be the fifteenth day (whether or not a Business Day) preceding such Distribution payment date. At all times, the Distribution payment dates

shall correspond to the interest payment dates on the Debentures. Distributions payable on any Securities that are not punctually paid on any Distribution payment date, as a result of the Debenture Issuer having failed to make a payment under the Debentures, shall cease to be payable to the Person in whose name such Securities are registered on the relevant record date, and such defaulted Distribution will instead be payable to the Person in whose name such Securities are registered on the special record date or other specified date determined in accordance with this Trust Agreement. If any date on which Distributions are payable on the Securities is not a Business Day, then payment of the Distribution payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay), with the same force and effect as if made on such payment date.

(e) In the event that there is any money or other property held by or for the Trust that is not accounted for hereunder, such property shall be distributed Pro Rata among the Holders of the Securities except as provided in Section 7.1(b).

SECTION 7.3. Redemption of Securities.

(a) Upon the repayment or redemption, in whole or in part, of the Debentures held by the Trust, whether at the stated maturity of the Debentures or upon earlier redemption as provided in the Indenture, the proceeds from such repayment or redemption shall be simultaneously applied Pro Rata (subject to Section 7.1(b)) to redeem Securities having an aggregate liquidation amount equal to the aggregate principal amount of the Debentures so repaid or redeemed at the Redemption Price. Holders shall be given not fewer than 30 nor more than 60 days notice of such redemption in accordance with Section 7.4.

(b) On the date fixed for any distribution of Debentures, upon dissolution of the Trust, (i) the Securities will no longer be deemed to be outstanding and (ii) certificates representing Securities will be deemed to represent the Debentures having an aggregate principal amount equal to the stated liquidation amount of, and bearing accrued and unpaid interest equal to accumulated and unpaid distributions on, such Securities until such certificates are presented to the Sponsor or its agent for transfer or reissuance.

SECTION 7.4. Redemption Procedures.

(a) Notice of any redemption of, or notice of distribution of Debentures in exchange for, the Securities (a "Redemption/Distribution Notice"), which notice shall be irrevocable, will be given by the Trust by mail to each Holder of Securities to be redeemed or exchanged not fewer than 30 nor more than 60 days before the date fixed for redemption or exchange thereof which, in the case of a redemption, will be the date fixed for redemption of the Debentures. For purposes of the calculation of the date of redemption or exchange and the dates on which notices are given pursuant to this Section 7.4(a), a Redemption/Distribution Notice shall be deemed to be given on the day such notice is first mailed by first-class mail, postage prepaid, to Holders of Securities. Each Redemption/Distribution Notice shall be addressed to the Holders of Securities at the address of each such Holder appearing in the register of the Trust. No defect in the Redemption/Distribution Notice or in the mailing of either thereof with respect

to any Holder shall affect the validity of the redemption or exchange proceedings with respect to any other Holder.

(b) If fewer than all the outstanding Securities are to be so redeemed, the Common Securities and the Capital Securities will be redeemed Pro Rata (subject to Section 7.1(b)) and the Capital Securities to be redeemed will be redeemed as described in Section 7.4(c) below. The particular Capital Securities to be redeemed will be selected on a Pro Rata basis by the Property Trustee from the outstanding Capital Securities not previously called for redemption, by such method (including, without limitation, by lot) as the Property Trustee shall deem fair and appropriate. The Trust may not redeem the Securities in part unless all accumulated and unpaid Distributions to the date of redemption have been paid in full on all Securities then outstanding. For all purposes of this Trust Agreement, unless the context otherwise requires, all provisions relating to the redemption of Capital Securities shall relate, in the case of any Capital Security redeemed or to be redeemed only in part, to the portion of the aggregate liquidation amount of Capital Securities which has been or is to be redeemed.

(c) Subject to the Trust's fulfillment of the notice requirements set forth in Section 7.4(a) above, if Securities are to be redeemed, then (i) with respect to Capital Securities represented by one or more Global Securities, by 12:00 noon, New York City time, on the redemption date, provided that the Debenture Issuer has paid the Property Trustee a sufficient amount of cash in connection with the related redemption or maturity of the Debentures, the Property Trustee will deposit irrevocably with the Depository or its nominee (or successor Clearing Agency or its nominee) funds sufficient to pay the applicable Redemption Price with respect to the Capital Securities and will give the Depository irrevocable instructions and authority to pay the Redemption Price to the Holders of the Capital Securities and (ii) with respect to Securities not represented by one or more Global Securities, provided that the Debenture Issuer has paid the Property Trustee a sufficient amount of cash in connection with the related redemption or maturity of the Debentures, the Property Trustee will give the Paying Agent irrevocable instructions and authority to pay the relevant Redemption Price to the Holders of such Securities upon surrender of their certificates evidencing the Capital Securities. Payment of the Redemption Price on the Capital Securities will be made to the recordholders thereof as they appear on the register of the Trust on the relevant record date, which shall be one Business Day prior to the relevant redemption date; *provided, however*, that with respect to the Capital Securities not represented by one or more Global Securities, the relevant record date shall be the date fifteen days prior to the relevant redemption date. If any date fixed for redemption of Securities is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) with the same force and effect as if made on such date fixed for redemption. If, however, the Business Day falls in the next calendar year, then payment of the Redemption Price will be made on the immediately preceding Business Day with the same force and effect as if made on such date fixed for redemption. If payment of the Redemption Price in respect of any Securities is not paid because the payment of the Redemption Price on the Debentures is not made, interest will continue to accrue on the Debentures, and, as a result, Distributions on such Securities will continue to accumulate at the then applicable rate from the original redemption date to the actual date of payment, in which case the actual payment date will be considered the date fixed for redemption for purposes of calculating the Redemption Price. For these purposes, the applicable Redemption Price shall not include

Distributions which are being paid to Holders who were Holders on a relevant record date. If a Redemption/Distribution Notice shall have been given and funds deposited or paid as required, then immediately prior to the close of business on the date of such deposit or payment, Distributions will cease to accumulate on the Securities called for redemption and all rights of Holders of such Securities so called for redemption will cease, except the right of the Holders to receive the Redemption Price, but without interest on such Redemption Price, and from and after the date fixed for redemption, such Securities will cease to be outstanding.

Neither the Administrative Trustees nor the Trust shall be required to register or cause to be registered the transfer of any Securities that have been called for redemption, except in the case of any Securities being redeemed in part, any portion thereof not to be redeemed.

(d) Subject to the foregoing and applicable law (including, without limitation, United States federal securities laws), the Debenture Issuer or its subsidiaries may at any time and from time to time purchase outstanding Capital Securities by tender, in the open market or by private agreement.

SECTION 7.5. Voting Rights of Capital Securities.

(a) Except as provided under Section 6.6, Section 11.1 and this Article 7 and as otherwise required by the Delaware Statutory Trust Act, the Trust Indenture Act and other applicable law, the Holders of the Capital Securities shall have no voting rights.

(b) Subject to the requirement of the Property Trustee obtaining a tax opinion in certain circumstances set forth in Section 7.5(d) below, the Holders of a Majority in Liquidation Amount of the Capital Securities voting separately as a class have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Property Trustee, or to direct the exercise of any trust or power conferred upon the Property Trustee under the Trust Agreement, including the right to direct the Property Trustee, as Holder of the Debentures, to (i) exercise the remedies available to it under the Indenture as a Holder of the Debentures; (ii) consent to any amendment or modification of the Indenture or the Debentures where such consent shall be required or (iii) waive any past default and its consequences that is waivable under Section 5.13 of the Indenture; *provided, however*, that if an Indenture Event of Default specified in Sections 5.1(1), (2) and (3) of the Indenture has occurred and is continuing, then the Holders of 25% of the aggregate liquidation amount of the Capital Securities may direct the Property Trustee to declare the principal of and interest on the Debentures due and payable; provided, further, that where a consent or action under the Indenture would require the consent or act of the Holders of more than a majority of the aggregate principal amount of Debentures affected thereby, only the Holders of the percentage of the aggregate stated liquidation amount of the Capital Securities which is at least equal to the percentage required under the Indenture may direct the Property Trustee to give such consent to take such action.

(c) If the Property Trustee fails to enforce its rights under the Debentures after a Holder of Capital Securities has made a written request, such Holder of Capital Securities may, to the extent permitted by applicable law, institute a legal proceeding directly against the Debenture Issuer to enforce the Property Trustee's rights under the Indenture without first

instituting any legal proceeding against the Property Trustee or any other Person. In addition, if a Trust Enforcement Event has occurred and is continuing and such event is attributable to the failure of the Debenture Issuer to pay interest in full on the Debentures for a period of 30 days after a Deferral Period has continued for more than 10 consecutive semi-annual periods, then a Holder of Capital Securities may directly institute a Direct Action against the Debenture Issuer on or after the respective due date specified in the Debentures;

(d) The Property Trustee shall notify all Holders of the Capital Securities of any notice of any Indenture Event of Default received from the Debenture Issuer with respect to the Debentures. Such notice shall state that such Indenture Event of Default also constitutes a Trust Enforcement Event. Except with respect to directing the time, method, and place of conducting a proceeding for a remedy, the Property Trustee shall be under no obligation to take any of the actions described in clause 7.5(b)(i) and (ii) above unless the Property Trustee has obtained an opinion of independent tax counsel to the effect that the Trust will not be classified as an association or publicly traded partnership taxable as a corporation for United States federal income tax purposes as a result of such action.

(e) In the event the consent of the Property Trustee, as the Holder of the Debentures, is required under the Indenture with respect to any amendment or modification of the Indenture, the Property Trustee shall request the direction of the Holders of the Capital Securities with respect to such amendment or modification and shall vote with respect to such amendment or modification as directed by not less than a Majority in Liquidation Amount of the Capital Securities voting together as a single class; *provided, however*, that where a consent under the Indenture would require the consent of the Holders of more than a majority of the aggregate principal amount of the Debentures, the Property Trustee may only give such consent at the direction of the Holders of at least the same proportion in aggregate stated liquidation amount of the Securities. The Property Trustee shall not take any such action in accordance with the directions of the Holders of the Securities unless the Property Trustee has obtained an opinion of independent tax counsel to the effect that the Trust will not be classified as an association or publicly traded partnership taxable as a corporation for United States federal income tax purposes as a result of such action.

(f) A waiver of an Indenture Event of Default with respect to the Debentures will constitute a waiver of the corresponding Trust Enforcement Event.

(g) Any required approval or direction of Holders of Capital Securities may be given at a separate meeting of Holders of Capital Securities convened for such purpose, at a meeting of all of the Holders of Securities or pursuant to written consent. The Administrative Trustees will cause a notice of any meeting at which Holders of Capital Securities are entitled to vote to be mailed to each Holder of record of Capital Securities. Each such notice will include a statement setting forth (i) the date of such meeting, (ii) a description of any resolution proposed for adoption at such meeting on which such Holders are entitled to vote and (iii) instructions for the delivery of proxies.

(h) No vote or consent of the Holders of Capital Securities shall be required for the Trust to redeem and cancel Capital Securities or distribute Debentures in accordance with this Trust Agreement and the terms of the Securities.

(i) Notwithstanding that Holders of Capital Securities are entitled to vote or consent under any of the circumstances described above, any of the Securities that are owned at such time by the Debenture Issuer, any Administrative Trustee or any entity directly or indirectly controlled by, or under direct or indirect common control with, the Debenture Issuer or any Administrative Trustee, shall not be entitled to vote or consent and shall, for purposes of such vote or consent, be treated as if such Securities were not outstanding; *provided, however*, that Persons otherwise eligible to vote to whom the Debenture Issuer or any of its subsidiaries have pledged Capital Securities may vote or consent with respect to such pledged Capital Securities under any of the circumstances described herein.

(j) Subject to Sections 6.6(a) and 7.5(k), Holders of the Capital Securities shall have no rights to appoint or remove the Trustees, who may be appointed, removed or replaced solely by the Common Securities Holder.

(k) If an Indenture Event of Default has occurred and is continuing, the Property Trustee and the Delaware Trustee may be removed at such time only by a Majority in Liquidation Amount of the Capital Securities.

(l) The Trustees shall not revoke any action previously authorized or approved by a vote of the Holders of the Securities, except by a subsequent vote of the Holders of the Securities.

SECTION 7.6. Voting Rights of Common Securities.

(a) Except as provided under Section 6.1(b), this Section 7.6 or Section 11.1 or as otherwise required by the Delaware Statutory Trust Act, the Trust Indenture Act or other applicable law or provided by the Trust Agreement, the Holders of the Common Securities will have no voting rights.

(b) Subject to Sections 6.6(a) and 7.5(k), the Holders of the Common Securities shall be entitled, in accordance with Article VI of this Trust Agreement, to vote to appoint, remove or replace any Trustee or to increase or decrease the number of Trustees.

(c) Subject to Section 2.6 and only after all Trust Enforcement Events with respect to the Capital Securities have been cured, waived, or otherwise eliminated and subject to the requirement of the Property Trustee obtaining a tax opinion in certain circumstances set forth in this paragraph (c), the Holders of a Majority in Liquidation Amount of the Common Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Property Trustee, or direct the exercise of any trust or power conferred upon the Property Trustee under this Trust Agreement, including the right to direct the Property Trustee, as Holder of the Debentures, to (i) exercise the remedies available to it under the Indenture as a Holder of the Debentures, (ii) consent to any amendment or modification of the Indenture or the Debentures where such consent shall be required or (iii) waive any past default and its consequences that is waivable under Section 5.13 of the Indenture; *provided, however*, that where a consent or action under the Indenture would require the consent or act of the Holders of more than a majority of the aggregate principal amount of Debentures affected thereby, only the Holders of the percentage of the aggregate stated liquidation amount of the Common Securities

which is at least equal to the percentage required under the Indenture may direct the Property Trustee to have such consent or take such action. Except with respect to directing the time, method, and place of conducting a proceeding for a remedy, the Property Trustee shall be under no obligation to take any of the actions described in clause 7.6(c)(i) and (ii) above unless the Property Trustee has obtained an opinion of independent tax counsel to the effect that, as a result of such action, for United States federal income tax purposes the Trust will not be classified as other than a grantor trust.

(d) If the Property Trustee fails to enforce its rights under the Debentures after a Holder of Common Securities has made a written request, such Holder of Common Securities may, to the extent permitted by applicable law, directly institute a legal proceeding directly against the Debenture Issuer to enforce the Property Trustee's rights under the Debentures without first instituting any legal proceeding against the Property Trustee or any other Person.

(e) A waiver of an Indenture Event of Default with respect to the Debentures will constitute a waiver of the corresponding Trust Enforcement Event.

(f) Any required approval or direction of Holders of Common Securities may be given at a separate meeting of Holders of Common Securities convened for such purpose, at a meeting of all of the Holders of Securities or pursuant to written consent. The Administrative Trustees will cause a notice of any meeting at which Holders of Common Securities are entitled to vote to be mailed to each Holder of record of Common Securities. Each such notice will include a statement setting forth (i) the date of such meeting, (ii) a description of any resolution proposed for adoption at such meeting on which such Holders are entitled to vote and (iii) instructions for the delivery of proxies.

(g) No vote or consent of the Holders of the Common Securities will be required for the Trust to redeem and cancel Common Securities or to distribute Debentures in accordance with the Trust Agreement and the terms of the Securities.

SECTION 7.7. Paying Agent.

The Trust shall maintain in the Borough of Manhattan, City of New York, State of New York, an office or agency where the Capital Securities may be presented for payment (“Paying Agent”) and to pay Distributions, redemption payments or liquidation payments on behalf of the Trust with respect to all Securities and any such Paying Agent shall comply with Section 317(b) of the Trust Indenture Act. The Trust may appoint the paying agent and may appoint one or more additional paying agents in such other locations as it shall determine. The term “Paying Agent” includes any additional paying agent. The Trust may change any Paying Agent without prior notice to the Holders. The Trust shall notify the Property Trustee of the name and address of any Paying Agent not a party to this Trust Agreement. If the Trust fails to appoint or maintain another entity as Paying Agent, the Property Trustee shall act as such. The Trust or any of its Affiliates may act as Paying Agent. U.S. Bank National Association shall initially act as Paying Agent for the Securities and the initial office of the Paying Agent shall be U.S. Bank National Association, 100 Wall Street, 16th Floor, New York, New York 10005 Attention: Corporate Trust Services. In the event U.S. Bank National Association shall no longer be the Paying Agent, the Administrative Trustees shall appoint a successor (which shall be a bank or trust company acceptable to the Debenture Issuer) to act as Paying Agent. The Paying Agent shall be permitted to resign as Paying Agent upon 30 days’ written notice to the Property Trustee and the Debenture Issuer.

SECTION 7.8. [Reserved].

SECTION 7.9. Transfer of Securities.

(a) Securities may only be transferred, in whole or in part, in accordance with the terms and conditions set forth in this Trust Agreement and in the terms of the Securities. To the fullest extent permitted by law, any transfer or purported transfer of any Security not made in accordance with this Trust Agreement shall be null and void.

(b) (i) Subject to this Article 7, Capital Securities shall be freely transferable.

(ii) The Holder of the Common Securities may not transfer the Common Securities except (A) in compliance with a consolidation, merger, sale, conveyance or lease of the Sponsor in compliance with Article VIII of the Indenture or (B) to the Sponsor or an Affiliate thereof in compliance with applicable law, including the Securities Act and applicable state securities and blue sky laws. To the fullest extent permitted by law, any attempted transfer of the Common Securities other than as set forth in the immediately preceding sentence shall be null and void.

(c) The Trust shall cause to be kept at an office or offices designated by the Trust a register (the register maintained in such office being herein sometimes referred to as the “Security Register”) in which, subject to such reasonable regulations as it may prescribe, the Trust shall provide for the registration of Capital Securities and of transfers of Capital Securities. The Trust initially designates U.S. Bank National Association, 100 Wall Street, 16th Floor, New

York, New York 10005 Attention: Corporate Trust Services, as its office for the purpose of registering Capital Securities and transfers of Capital Securities, and hereby initially appoints U.S. Bank National Association as “Security Registrar” for such purposes.

(d) Upon surrender for registration of transfer of any Security at an office or agency of the Trust designated for such purpose, the Trust shall execute, and the Property Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denominations and of a like aggregate principal amount.

(e) At the option of the Holder, Securities may be exchanged for other Securities of any authorized denominations and of a like aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Trust shall execute, and in the case of Capital Securities the Property Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

(f) Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Trust or the Property Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Trust and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

(g) No service charge shall be made for any registration of transfer or exchange of Securities, but the Trust may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities.

(h) If the Securities are to be redeemed in part, the Trust shall not be required (A) to issue, register the transfer of or exchange any Securities during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of any such Securities selected for redemption under Section 7.4 and ending at the close of business on the day of such mailing, or (B) to register the transfer or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

SECTION 7.10. Mutilated, Destroyed, Lost or Stolen Certificates.

If:

(a) any mutilated Certificates should be surrendered to the Administrative Trustees, or if the Administrative Trustees shall receive evidence to their satisfaction of the destruction, loss or theft of any Certificate; and

(b) there shall be delivered to the Administrative Trustees such security or indemnity as may be required by them to keep each of the Trustees, the Sponsor and the Trust harmless,

then, in the absence of notice that such Certificate shall have been acquired by a bona fide purchaser, any Administrative Trustee on behalf of the Trust shall execute and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like denomination. In connection with the issuance of any new Certificate under this Section 7.10, the Administrative Trustees may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. Any duplicate Certificate issued pursuant to this Section shall constitute conclusive evidence of an ownership interest in the relevant Securities, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

SECTION 7.11. Deemed Security Holders.

The Trustees may treat the Person in whose name any Certificate shall be registered on the register of the Trust as the sole holder of such Certificate and of the Securities represented by such Certificate for purposes of receiving Distributions and for all other purposes whatsoever and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such Certificate or in the Securities represented by such Certificate on the part of any Person, whether or not the Trust shall have actual or other notice thereof.

SECTION 7.12. Global Securities.

On initial issuance, the Capital Securities shall be issued in definitive form to the Sponsor. Upon transfer by the Sponsor of the Capital Securities, the Capital Securities may be issued in the form of one or more Global Securities. If the Capital Securities are to be issued in the form of one or more Global Securities, then an Administrative Trustee on behalf of the Trust shall execute and the Property Trustee shall authenticate and deliver one or more Global Securities that (i) shall represent and shall be denominated in an amount equal to the aggregate liquidation amount of all of the Capital Securities to be issued in the form of Global Securities and not yet cancelled, (ii) shall be registered in the name of the Depository for such Global Security or the nominee of such Depository, and (iii) shall be delivered by the Property Trustee to such Depository or pursuant to such Depository's instructions. Global Securities shall bear a legend substantially to the following effect:

“This Capital Security is a Global Security within the meaning of the Trust Agreement hereinafter referred to and is registered in the name of The Depository Trust Company, a New York corporation (the “Depository”), or a nominee of the Depository. This Capital Security is exchangeable for Capital Securities registered in the name of a person other than the Depository or its nominee only in the limited circumstances described in the Trust Agreement and no transfer of this Capital Security (other than a transfer of this Capital Security as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository) may be registered except in limited circumstances.

Unless this Capital Security Certificate is presented by an authorized representative of the Depository to USB Capital XIII or its agent for registration of transfer, exchange or payment, and any Capital Security Certificate issued is

registered in the name of Cede & Co. or such other name as requested by an authorized representative of the Depository (and any payment hereon is made to Cede & Co. or to such other entity as is requested by an authorized representative of the Depository), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.”

Capital Securities not represented by a Global Security issued in exchange for all or a part of a Global Security pursuant to this Section 7.12 shall be registered in such names and in such authorized denominations as the Depository, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Property Trustee. Upon execution and authentication, the Property Trustee shall deliver such Capital Securities not represented by a Global Security to the Persons in whose names such definitive Capital Securities are so registered.

At such time as all interests in Global Securities have been redeemed, repurchased or cancelled, such Global Securities shall be, upon receipt thereof, cancelled by the Property Trustee in accordance with standing procedures of the Depository. At any time prior to such cancellation, if any interest in Global Securities is exchanged for Capital Securities not represented by a Global Security, redeemed, cancelled or transferred to a transferee who receives Capital Securities not represented by a Global Security therefor or any Capital Security not represented by a Global Security is exchanged or transferred for part of Global Securities, the principal amount of such Global Securities shall, in accordance with the standing procedures of the Depository, be reduced or increased, as the case may be, and an endorsement shall be made on such Global Securities by the Property Trustee to reflect such reduction or increase.

The Trust and the Property Trustee may for all purposes, including the making of payments due on the Capital Securities, deal with the Depository as the authorized representative of the Holders for the purposes of exercising the rights of Holders hereunder. The rights of the owner of any beneficial interest in a Global Security shall be limited to those established by law and agreements between such owners and depository participants provided that no such agreement shall give any rights to any Person against the Trust or the Property Trustee without the written consent of the parties so affected. Multiple requests and directions from and votes of the Depository as holder of Capital Securities in global form with respect to any particular matter shall not be deemed inconsistent to the extent they do not represent an amount of Capital Securities in excess of those held in the name of the Depository or its nominee.

If at any time the Depository for any Capital Securities represented by one or more Global Securities notifies the Trust that it is unwilling or unable to continue as Depository for such Capital Securities or if at any time the Depository for such Capital Securities shall no longer be eligible under this Section 7.12, the Trust shall appoint a successor Depository with respect to such Capital Securities. If a successor Depository for such Capital Securities is not appointed by the Trust within 90 days after the Trust receives such notice or becomes aware of such ineligibility, the Trust’s election that such Capital Securities be represented by one or more Global Securities shall no longer be effective and the Trust shall execute, and the Property Trustee will authenticate and deliver, Capital Securities in definitive registered form, in any authorized denominations, in an aggregate liquidation amount equal to the principal amount of

the Global Security or Capital Securities representing such Capital Securities in exchange for such Global Security or Capital Securities.

The Trust may at any time and in its sole discretion determine that the Capital Securities issued in the form of one or more Global Securities shall no longer be represented by a Global Security or Capital Securities. In such event the Trust shall execute, and the Property Trustee, shall authenticate and deliver, Capital Securities in definitive registered form, in any authorized denominations, in an aggregate liquidation amount equal to the principal amount of the Global Security or Capital Securities representing such Capital Securities, in exchange for such Global Security or Capital Securities.

Notwithstanding any other provisions of this Trust Agreement (other than the provisions set forth in Section 7.9), Global Securities may not be transferred as a whole except by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

Interests of beneficial owners in a Global Security may be transferred or exchanged for Capital Securities not represented by a Global Security and Capital Securities not represented by a Global Security may be transferred or exchange for Global Securities in accordance with rules of the Depositary and the provisions of Section 7.9.

ARTICLE 8

DISSOLUTION AND TERMINATION OF TRUST

SECTION 8.1. Dissolution and Termination of Trust.

(a) The Trust shall dissolve upon the earliest of:

- (i) the bankruptcy of the Holder of the Common Securities or the Sponsor;
- (ii) the filing of a certificate of dissolution or its equivalent with respect to the Sponsor or the revocation of the Sponsor's charter and the expiration of 90 days after the revocation without a reinstatement thereof;
- (iii) the entry of a decree of judicial dissolution of the Sponsor or the Trust;
- (iv) the time when all of the Securities shall have been called for redemption and the amounts then due shall have been paid to the Holders in accordance with the terms of the Securities;
- (v) at the Sponsor's election by notice and direction to the Property Trustee to distribute the Debentures to the Holders of the Securities in exchange for all of the Securities, subject to the receipt of any necessary approvals by the

Federal Reserve that may then be required under the applicable capital guidelines or policies of the Federal Reserve; *provided* that the Sponsor will be required to obtain an opinion of an independent counsel that the distribution of the Debentures will not be taxable to the Holders of the Capital Securities for United States federal income tax purposes; or

(vi) the time when all of the Administrative Trustees and the Sponsor shall have consented to dissolution of the Trust provided such action is taken before the issuance of any Securities.

(b) As soon as is practicable after the occurrence of an event referred to in Section 8.1(a) and upon completion of the winding up and liquidation of the Trust, the Trustees shall terminate the Trust by filing a certificate of cancellation with the Secretary of State of the State of Delaware.

(c) The provisions of Section 4.2 and Article 9 shall survive the termination of the Trust.

SECTION 8.2. Liquidation Distribution Upon Dissolution of the Trust.

(a) In the event of any voluntary or involuntary liquidation, dissolution, or winding-up of the Trust (each a "Liquidation"), the Holders of the Securities on the date of the Liquidation will be entitled to receive, out of the assets of the Trust available for distribution to Holders of Securities after satisfaction of the Trust's liabilities to creditors, if any, distributions in cash or other immediately available funds in an amount equal to the aggregate of the stated liquidation amount of \$1,000 per Security plus accumulated and unpaid Distributions thereon to the date of payment (such amount being the "Liquidation Distribution"), unless, in connection with such Liquidation, Debentures in an aggregate stated principal amount equal to the aggregate stated liquidation amount of, with an interest rate identical to the distribution rate of, and accumulated and unpaid interest equal to accrued and unpaid Distributions on, such Securities shall be distributed on a Pro Rata basis to the Holders of the Securities in exchange for such Securities.

(b) If, upon any such Liquidation, the Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then the amounts payable directly by the Trust on the Securities shall be paid on a Pro Rata basis. The Holders of the Common Securities will be entitled to receive distributions upon any such Liquidation Pro Rata with the Holders of the Capital Securities except that if an Indenture Event of Default has occurred and is continuing, the Capital Securities shall have a preference over the Common Securities with regard to such distributions as provided for in Section 7.1(b).

ARTICLE 9
LIMITATION OF LIABILITY OF HOLDERS OF SECURITIES, DELAWARE
TRUSTEES OR OTHERS

SECTION 9.1. Liability.

(a) Except as expressly set forth in this Trust Agreement, the Guarantee and the terms of the Securities, the Sponsor:

(i) shall not be personally liable for the return of any portion of the capital contributions (or any return thereon) of the Holders of the Securities which shall be made solely from assets of the Trust; and

(ii) shall not be required to pay to the Trust or to any Holder of Securities any deficit upon dissolution of the Trust or otherwise.

(b) Pursuant to Section 3803(a) of the Delaware Statutory Trust Act, the Holder of the Common Securities shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Delaware; *provided, however*, the Holders of the Common Securities shall be liable for all of the debts and obligations of the Trust (other than with respect to the Securities) to the extent not satisfied out of the Trust's assets.

(c) Pursuant to Section 3803(a) of the Delaware Statutory Trust Act, the Holders of the Capital Securities shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Delaware.

SECTION 9.2. Exculpation.

(a) No Indemnified Person shall be liable, responsible or accountable in damages or otherwise to the Trust or any Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Indemnified Person in good faith on behalf of the Trust and in a manner such Indemnified Person reasonably believed to be within the scope of the authority conferred on such Indemnified Person by this Trust Agreement or by law, except that an Indemnified Person shall be liable for any such loss, damage or claim incurred by reason of such Indemnified Person's negligence or willful misconduct with respect to such acts or omissions.

(b) An Indemnified Person shall be fully protected in relying in good faith upon the records of the Trust and upon such information, opinions, reports or statements presented to the Trust by any Person as to matters the Indemnified Person reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Trust, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits, losses or any other facts

pertinent to the existence and amount of assets from which Distributions to Holders of Securities might properly be paid.

SECTION 9.3. Fiduciary Duty.

(a) To the extent that, at law or in equity, an Indemnified Person has duties (including fiduciary duties) and liabilities relating thereto to the Trust or to any other Covered Person, an Indemnified Person acting under this Trust Agreement shall not be liable to the Trust or to another Covered Person for its good faith reliance on the provisions of this Trust Agreement. The provisions of this Trust Agreement, to the extent that they restrict or eliminate the duties and liabilities of an Indemnified Person otherwise existing at law or in equity (other than the duties imposed on the Property Trustee under the Trust Indenture Act), are agreed by the parties hereto to replace such other duties and liabilities of such Indemnified Person.

(b) Unless otherwise expressly provided herein:

(i) whenever a conflict of interest exists or arises between any Covered Person and any Indemnified Person; or

(ii) whenever this Trust Agreement or any other agreement contemplated herein or therein provides that an Indemnified Person shall act in a manner that is, or provides terms that are, fair and reasonable to the Trust or any Holder of Securities,

the Indemnified Person shall resolve such conflict of interest, take such action or provide such terms, considering in each case the relative interest of each party (including its own interest) to such conflict, agreement, transaction or situation and the benefits and burdens relating to such interests, any customary or accepted industry practices and any applicable generally accepted accounting practices or principles. In the absence of bad faith by the Indemnified Person, the resolution, action or term so made, taken or provided by the Indemnified Person shall not constitute a breach of this Trust Agreement or any other agreement contemplated herein or of any duty or obligation of the Indemnified Person at law or in equity or otherwise.

(c) Whenever in this Trust Agreement an Indemnified Person is permitted or required to make a decision:

(i) in its "discretion" or under a grant of similar authority, the Indemnified Person shall be entitled to consider such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Trust or any other Person; or

(ii) in its "good faith" or under another express standard, the Indemnified Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Trust Agreement or by applicable law.

SECTION 9.4. Indemnification.

(a) The Debenture Issuer shall indemnify, to the full extent permitted by law, any Debenture Issuer Indemnified Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Trust) by reason of the fact that he is or was a Debenture Issuer Indemnified Person against expenses (including attorney fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Trust, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Debenture Issuer Indemnified Person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Trust, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(b) The Debenture Issuer shall indemnify, to the full extent permitted by law, any Debenture Issuer Indemnified Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Trust to procure a judgment in its favor by reason of the fact that he is or was a Debenture Issuer Indemnified Person against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Trust and except that no such indemnification shall be made in respect of any claim, issue or matter as to which such Debenture Issuer Indemnified Person shall have been adjudged to be liable to the Trust unless and only to the extent that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such Court of Chancery or such other court shall deem proper.

(c) Any indemnification under paragraphs (a) and (b) of this Section 9.4 (unless ordered by a court) shall be made by the Debenture Issuer only as authorized in the specific case upon a determination that indemnification of the Debenture Issuer Indemnified Person is proper in the circumstances because he has met the applicable standard of conduct set forth in paragraphs (a) and (b). Such determination shall be made (1) by the Administrative Trustees by a majority vote of a quorum consisting of such Administrative Trustees who were not parties to such action, suit or proceeding, (2) if such a quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Administrative Trustees so directs, by independent legal counsel in a written opinion, or (3) by the Common Security Holder of the Trust.

(d) Expenses (including attorneys' fees) incurred by a Debenture Issuer Indemnified Person in defending a civil, criminal, administrative or investigative action, suit or proceeding referred to in paragraphs (a) and (b) of this Section 9.4 shall be paid by the Debenture Issuer in advance of the final disposition of such action, suit or proceeding upon receipt of an

undertaking by or on behalf of such Debenture Issuer Indemnified Person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Debenture Issuer as authorized in this Section 9.4. Notwithstanding the foregoing, no advance shall be made by the Debenture Issuer if a determination is reasonably and promptly made (1) by the Administrative Trustees by a majority vote of a quorum of disinterested Administrative Trustees, (2) if such a quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Administrative Trustees so directs, by independent legal counsel in a written opinion or (3) the Common Security Holder of the Trust, that, based upon the facts known to the Administrative Trustees, counsel or the Common Security Holder at the time such determination is made, such Debenture Issuer Indemnified Person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the Trust, or, with respect to any criminal proceeding, that such Debenture Issuer Indemnified Person believed or had reasonable cause to believe his conduct was unlawful. In no event shall any advance be made in instances where the Administrative Trustees, independent legal counsel or Common Security Holder reasonably determine that such person deliberately breached his duty to the Trust or its Common or Capital Security Holders.

(e) The indemnification and advancement of expenses provided by, or granted pursuant to, the other paragraphs of this Section 9.4 shall not be deemed exclusive of any other rights to which those seeking indemnification and advancement of expenses may be entitled under any agreement, vote of stockholders or disinterested directors of the Debenture Issuer or Capital Security Holders of the Trust or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. All rights to indemnification under this Section 9.4 shall be deemed to be provided by a contract between the Debenture Issuer and each Debenture Issuer Indemnified Person who serves in such capacity at any time while this Section 9.4 is in effect. Any repeal or modification of this Section 9.4 shall not affect any rights or obligations then existing.

(f) The Debenture Issuer or the Trust may purchase and maintain insurance on behalf of any person who is or was a Debenture Issuer Indemnified Person against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Debenture Issuer would have the power to indemnify him against such liability under the provisions of this Section 9.4.

(g) For purposes of this Section 9.4, references to “the Trust” shall include, in addition to the resulting or surviving entity, any constituent entity (including any constituent of a constituent) absorbed in a consolidation or merger, so that any person who is or was a director, trustee, officer or employee of such constituent entity, or is or was serving at the request of such constituent entity as a director, trustee, officer, employee or agent of another entity, shall stand in the same position under the provisions of this Section 9.4 with respect to the resulting or surviving entity as he would have with respect to such constituent entity if its separate existence had continued.

(h) The indemnification and advancement of expenses provided by, or granted pursuant to, this Section 9.4 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a Debenture Issuer Indemnified Person and shall inure to the benefit of the heirs, executors and administrators of such a person. The obligation to

indemnify as set forth in this Section 9.4 shall survive the resignation or removal of the Delaware Trustee or the Property Trustee or the termination of this Trust Agreement.

SECTION 9.5. Outside Businesses.

Subject to the provisions of Section 6.3, any Covered Person, the Sponsor, the Delaware Trustee and the Property Trustee may engage in or possess an interest in other business ventures of any nature or description, independently or with others, similar or dissimilar to the activities of the Trust, and the Trust and the Holders of Securities shall have no rights by virtue of this Trust Agreement in and to such independent ventures or the income or profits derived therefrom, and the pursuit of any such venture, even if competitive with the activities of the Trust, shall not be deemed wrongful or improper. No Covered Person, the Sponsor, the Delaware Trustee or the Property Trustee shall be obligated to present any particular investment or other opportunity to the Trust even if such opportunity is of a character that, if presented to the Trust, could be taken by the Trust, and any Covered Person, the Sponsor, the Delaware Trustee and the Property Trustee shall have the right to take for its own account (individually or as a partner or fiduciary) or to recommend to others any such particular investment or other opportunity. Any Covered Person, the Delaware Trustee and the Property Trustee may engage or be interested in any financial or other transaction with the Sponsor or any Affiliate of the Sponsor, or may act as depository for, trustee or agent for, or act on any committee or body of holders of, securities or other obligations of the Sponsor or its Affiliates.

ARTICLE 10

ACCOUNTING

SECTION 10.1. Fiscal Year.

The fiscal year ("Fiscal Year") of the Trust shall be the calendar year, or such other year as is required by the Code.

SECTION 10.2. Certain Accounting Matters.

(a) At all times during the existence of the Trust, the Administrative Trustees shall keep, or cause to be kept, full books of account, records and supporting documents, which shall reflect in reasonable detail, each transaction of the Trust. The books of account shall be maintained on the accrual method of accounting, in accordance with generally accepted accounting principles, consistently applied. The Trust shall use the accrual method of accounting for United States federal income tax purposes. The books of account and the records of the Trust shall be examined by and reported upon as of the end of each Fiscal Year of the Trust by a firm of independent certified public accountants selected by the Administrative Trustees.

(b) The Administrative Trustees shall cause to be prepared and delivered to each of the Holders of Securities, within 90 days after the end of each Fiscal Year of the Trust, annual financial statements of the Trust, including a balance sheet of the Trust as of the end of such Fiscal Year, and the related statements of income or loss.

(c) The Administrative Trustees shall cause to be duly prepared and delivered to each of the Holders of Securities, an annual United States federal income tax information statement, required by the Code, containing such information with regard to the Securities held by each Holder as is required by the Code and the Treasury Regulations. Notwithstanding any right under the Code to deliver any such statement at a later date, the Administrative Trustees shall endeavor to deliver all such statements within 30 days after the end of each Fiscal Year of the Trust.

(d) The Administrative Trustees shall cause to be duly prepared and filed with the appropriate taxing authority, an annual United States federal income tax return, on a Form 1041 or such other form required by United States federal income tax law, and any other annual income tax returns required to be filed by the Administrative Trustees on behalf of the Trust with any state or local taxing authority.

SECTION 10.3. Banking.

The Trust shall maintain one or more bank accounts in the name and for the sole benefit of the Trust; *provided, however*, that all payments of funds in respect of the Debentures held by the Property Trustee shall be made directly to the Property Account and no other funds of the Trust shall be deposited in the Property Account. The sole signatories for such accounts shall be designated by the Administrative Trustees; *provided, however*, that the Property Trustee shall designate the signatories for the Property Account.

SECTION 10.4. Withholding.

The Trust and the Administrative Trustees shall comply with all withholding requirements under United States federal, state and local law. The Trust shall request, and the Holders shall provide to the Trust, such forms or certificates as are necessary to establish an exemption from withholding with respect to each Holder, and any representations and forms as shall reasonably be requested by the Trust to assist it in determining the extent of, and in fulfilling, its withholding obligations. The Administrative Trustees shall file required forms with applicable jurisdictions and, unless an exemption from withholding is properly established by a Holder, shall remit amounts withheld with respect to the Holder to applicable jurisdictions. To the extent that the Trust is required to withhold and pay over any amounts to any authority with respect to distributions or allocations to any Holder, the amount withheld shall be deemed to be a distribution in the amount of the withholding to the Holder. In the event of any claimed over withholding, Holders shall be limited to an action against the applicable jurisdiction. If the amount required to be withheld was not withheld from actual Distributions made, the Trust may reduce subsequent Distributions by the amount of such withholding.

ARTICLE 11

AMENDMENTS AND MEETINGS

SECTION 11.1. Amendments.

(a) Except as otherwise provided in this Trust Agreement or by any applicable terms of the Securities, this Trust Agreement may only be amended by a written instrument approved and executed by the Sponsor and (i) the Administrative Trustees (or, if there are more than two Administrative Trustees, a majority of the Administrative Trustees) and (ii) the Property Trustee if the amendment affects the rights, powers, duties, obligations or immunities of the Property Trustee; and (iii) the Delaware Trustee if the amendment affects the rights, powers, duties, obligations or immunities of the Delaware Trustee.

(b) No amendment shall be made, and any such purported amendment shall be void and ineffective:

(i) unless, in the case of any proposed amendment, the Property Trustee shall have first received an Officers' Certificate from each of the Trust and the Sponsor that such amendment is permitted by, and conforms to, the terms of this Trust Agreement (including the terms of the Securities);

(ii) unless, in the case of any proposed amendment which affects the rights, powers, duties, obligations or immunities of the Property Trustee, the Property Trustee shall have first received:

- a. an Officers' Certificate from each of the Trust and the Sponsor that such amendment is permitted by, and conforms to, the terms of this Trust Agreement (including the terms of the Securities) and that all conditions precedent to the execution and delivery of such amendment have been satisfied; and
- b. an opinion of counsel (who may be counsel to the Sponsor or the Trust) that such amendment is permitted by, and conforms to, the terms of this Trust Agreement (including the terms of the Securities) and that all conditions precedent to the execution and delivery of such amendment have been satisfied; and

(iii) to the extent the result of such amendment would be to:

- a. cause the Trust to be classified as other than a grantor trust for United States federal income tax purposes;
- b. reduce or otherwise adversely affect the powers of the Property Trustee in contravention of the Trust Indenture Act; or

c. cause the Trust to be deemed to be an Investment Company required to be registered under the Investment Company Act.

(c) If the Trust has issued any Securities that remain outstanding:

(i) any amendment that would (a) change the amount or timing of any distribution of the Securities or otherwise adversely affect the amount of any distribution required to be made in respect of the Securities as of a specified date or (b) restrict the right of a Holder of Securities to institute suit for the enforcement of any such payment on or after such date, will entitle the Holders of such Securities, voting together as a single class, to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of each of the Holders of the Securities affected thereby; and

(ii) except as provided in Section 11.1(c)(i) hereof, any provision of this Trust Agreement may be amended by the Trustee and the Sponsor with (i) the consent of the Holders representing not less than a Majority in Liquidation Amount of the Securities outstanding and (ii) receipt by the Trustees of an opinion of counsel to the effect that such amendment or the exercise of any power granted to the Trustees in accordance with such amendment will not affect the Trust's status as a grantor trust for United States federal income tax purposes or the Trust's exemption from status of an Investment Company.

(d) This Section 11.1 shall not be amended without the consent of all of the Holders of the Securities.

(e) Article 4 shall not be amended without the consent of the Holders of a Majority in Liquidation Amount of the Common Securities.

(f) The rights of the Holders of the Common Securities under Article 5 to increase or decrease the number of, and appoint and remove Trustees shall not be amended without the consent of the Holders of a Majority in Liquidation Amount of the Common Securities.

(g) Notwithstanding Section 11.1(c), this Trust Agreement may be amended without the consent of the Holders of the Securities, if such amendment does not adversely affect in any material respect the rights of the holders of the Securities, to:

(i) cure any ambiguity;

(ii) correct or supplement any provision in this Trust Agreement that may be defective or inconsistent with any other provision of this Trust Agreement;

(iii) add to the covenants, restrictions or obligations of the Sponsor;

(iv) to conform to any change in Rule 3a-5 of the Investment Company Act or written change in interpretation or application of Rule 3a-5 of the Investment Company Act by any legislative body, court, government agency or regulatory authority; or

(v) to modify, eliminate and add to any provision of this Trust Agreement to ensure that the Trust will be classified as a grantor trust for United States federal income tax purposes at all times that any Securities are outstanding or to ensure that the Trust will not be required to register as an Investment Company under the Investment Company Act.

SECTION 11.2. Meetings of the Holders of Securities; Action by Written Consent.

(a) Meetings of the Holders of any class of Securities may be called at any time by the Administrative Trustees (or as provided in the terms of the Securities) to consider and act on any matter on which Holders of such class of Securities are entitled to act under the terms of this Trust Agreement, the terms of the Securities or the rules of any stock exchange on which the Capital Securities are listed or admitted for trading. The Administrative Trustees shall call a meeting of the Holders of such class if directed to do so by the Holders of at least 10% in Liquidation Amount of such class of Securities. Such direction shall be given by delivering to the Administrative Trustees one or more calls in a writing stating that the signing Holders of Securities wish to call a meeting and indicating the general or specific purpose for which the meeting is to be called. Any Holders of Securities calling a meeting shall specify in writing the Certificates held by the Holders of Securities exercising the right to call a meeting and only those Securities specified shall be counted for purposes of determining whether the required percentage set forth in the second sentence of this paragraph has been met.

(b) Except to the extent otherwise provided in the terms of the Securities, the following provisions shall apply to meetings of Holders of Securities:

(i) notice of any such meeting shall be given to all the Holders of Securities having a right to vote thereat at least seven days and not more than 60 days before the date of such meeting. Whenever a vote, consent or approval of the Holders of Securities is permitted or required under this Trust Agreement or the rules of any stock exchange on which the Capital Securities are listed or admitted for trading, such vote, consent or approval may be given at a meeting of the Holders of Securities. SECTION 2.5. Evidence of Compliance with Conditions Precedent. The Guarantor shall provide to the Guarantee Trustee such evidence of compliance with any conditions precedent, if any, provided for in this Guarantee that relate to any of the matters set forth in Section 314(c) of the Trust Indenture Act. Any certificate or opinion required to be given by an officer pursuant to Section 314(c)(1) may be given in the form of an Officers' Certificate.

SECTION 2.6. Guarantee Event of Default; Waiver. The Holders of a Majority in Liquidation Amount of the Capital Securities may, by vote or written consent, on behalf of the Holders of all of the Securities, waive any past Guarantee Event of Default and its consequences. Upon such waiver, any such Guarantee Event of Default shall cease to exist, and any Guarantee Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Guarantee, but no such waiver shall extend to any subsequent or other default or Guarantee Event of Default or impair any right consequent thereon.

SECTION 2.7. Guarantee Event of Default; Notice. (a) The Guarantee Trustee shall, within 90 days after the occurrence of a Guarantee Event of Default actually known to a Responsible Officer of the Guarantee Trustee, transmit by mail, first class postage prepaid, to the Holders of the Securities, notices of all such Guarantee Events of Default, unless such defaults have been cured before the giving of such notice; provided, that the Guarantee Trustee shall be protected in withholding such notice if and so long as a Responsible Officer of the Guarantee Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Securities.

(b) The Guarantee Trustee shall not be deemed to have knowledge of any Guarantee Event of Default unless the Guarantee Trustee shall have received written notice thereof or a Responsible Officer of the Guarantee Trustee charged with the administration of this Guarantee Agreement shall have obtained actual knowledge thereof.

SECTION 2.8. Conflicting Interests. The Trust Agreement shall be deemed to be specifically described in this Guarantee for the purposes of clause (i) of the first proviso contained in Section 310(b) of the Trust Indenture Act.

SECTION 2.9. Disclosure of InformationThe disclosure of information as to the names and addresses of the Holders of the Securities in accordance with Section 312 of the Trust Indenture Act, regardless of the source from which such information was derived, shall not be deemed to be a violation of any existing law, or any law hereafter enacted which does not specifically refer to Section 312 of the Trust Indenture Act, nor shall the Guarantee Trustee be held accountable by reason of mailing any material pursuant to a request made under Section 312(b) of the Trust Indenture Act.

SECTION 2.10. Guarantee Trustee May File Proofs of Claim. Upon the occurrence of a Guarantee Event of Default, the Guarantee Trustee is hereby authorized to (a) recover judgment, in its own name and as trustee of an express trust, against the Guarantor for the whole amount of any Guarantee Payments remaining unpaid and (b) file such proofs of claim and other papers or documents as may be necessary or advisable in order to have its claims and those of the Holders of the Securities allowed in any judicial proceedings relative to the Guarantor, its creditors or its property.

ARTICLE 3
POWERS, DUTIES AND RIGHTS OF
GUARANTEE TRUSTEE

SECTION 3.1. Powers and Duties of Guarantee Trustee.

(a) This Guarantee shall be held by the Guarantee Trustee on behalf of the Trust for the benefit of the Holders of the Securities, and the Guarantee Trustee shall not transfer this Guarantee to any Person except a Holder of Securities exercising his or her rights pursuant to Section 5.4(b) or to a Successor Guarantee Trustee on acceptance by such Successor Guarantee Trustee of its appointment to act as Successor Guarantee Trustee. The right, title and interest of the Guarantee Trustee in and to this Guarantee shall automatically vest in any Successor Guarantee Trustee, and such vesting and succession of title shall be effective whether or not conveyance documents have been executed and delivered pursuant to the appointment of such Successor Guarantee Trustee.

(b) If a Guarantee Event of Default actually known to a Responsible Officer of the Guarantee Trustee has occurred and is continuing, the Guarantee Trustee shall enforce this Guarantee for the benefit of the Holders of the Securities.

(c) The Guarantee Trustee, before the occurrence of any Guarantee Event of Default and after the curing of all Guarantee Events of Default that may have occurred, shall undertake to perform only such duties as are specifically set forth in this Guarantee, and no implied covenants shall be read into this Guarantee against the Guarantee Trustee. In case a Guarantee Event of Default has occurred (that has not been cured or waived pursuant to Section 2.6) and is actually known to a Responsible Officer of the Guarantee Trustee, the Guarantee Trustee shall exercise such of the rights and powers vested in it by this Guarantee, and use the same degree of care and skill in its exercise thereof, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(d) No provision of this Guarantee shall be construed to relieve the Guarantee Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) prior to the occurrence of any Guarantee Event of Default and after the curing or waiving of all such Guarantee Events of Default that may have occurred:

- (A) the duties and obligations of the Guarantee Trustee shall be determined solely by the express provisions of this Guarantee, and the Guarantee Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Guarantee, and no implied covenants or obligations shall be read into this Guarantee against the Guarantee Trustee; and

(B) in the absence of bad faith on the part of the Guarantee Trustee, the Guarantee Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Guarantee Trustee and conforming to the requirements of this Guarantee; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Guarantee Trustee, the Guarantee Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Guarantee;

(ii) the Guarantee Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Guarantee Trustee, unless it shall be proved that the Guarantee Trustee was negligent in ascertaining the pertinent facts upon which such judgment was made;

(iii) the Guarantee Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a Majority in Liquidation Amount of the Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee, or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee; and

(iv) no provision of this Guarantee shall require the Guarantee Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if the Guarantee Trustee shall have reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it under the terms of this Guarantee or if the Guarantee Trustee shall have reasonable grounds for believing that an indemnity, reasonably satisfactory to the Guarantee Trustee, against such risk or liability is not reasonably assured to it under the terms of this Guarantee.

SECTION 3.2. Certain Rights of Guarantee Trustee. (a) Subject to the provisions of Section 3.1:

(i) The Guarantee Trustee may conclusively rely, and shall be fully protected in acting or refraining from acting upon, any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(ii) Any direction or act of the Guarantor contemplated by this Guarantee shall be sufficiently evidenced by an Officers' Certificate;

(iii) Whenever, in the administration of this Guarantee, the Guarantee Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Guarantee Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, request and conclusively rely upon an Officers' Certificate which, upon receipt of such request, shall be promptly delivered by the Guarantor;

(iv) The Guarantee Trustee shall have no duty to see to any recording, filing or registration or any instrument (or any rerecording, refiling or re-registration thereof);

(v) The Guarantee Trustee may consult with counsel, and the advice or opinion of such counsel with respect to legal matters shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with such advice or opinion. Such counsel may be counsel to the Guarantor or any of its Affiliates and may include any of its employees. The Guarantee Trustee shall have the right at any time to seek instructions concerning the administration of this Guarantee from any court of competent jurisdiction;

(vi) The Guarantee Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Guarantee at the request or direction of any Holder, unless such Holder shall have provided to the Guarantee Trustee such security and indemnity, reasonably satisfactory to the Guarantee Trustee, against the costs, expenses (including attorneys' fees and expenses and the expenses of the Guarantee Trustee's agents, nominees or custodians) and liabilities that might be incurred by it in complying with such request or direction, including such reasonable advances as may be requested by the Guarantee Trustee; provided, that nothing contained in this Section 3.2(a)(vi) shall be taken to relieve the Guarantee Trustee, upon the occurrence of a Guarantee Event of Default, of its obligation to exercise the rights and powers vested in it by this Guarantee;

(vii) The Guarantee Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Guarantee Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit;

(viii) The Guarantee Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, nominees, custodians or attorneys, and the Guarantee Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(ix) Any action taken by the Guarantee Trustee or its agents hereunder shall bind the Holders, and the signature of the Guarantee Trustee or its agents

alone shall be sufficient and effective to perform any such action. No third party shall be required to inquire as to the authority of the Guarantee Trustee to so act or as to its compliance with any of the terms and provisions of this Guarantee, both of which shall be conclusively evidenced by the Guarantee Trustee's or its agent's taking such action; and

(x) Whenever in the administration of this Guarantee, the Guarantee Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action hereunder, the Guarantee Trustee (i) may request written instructions from the Holders of a Majority in Liquidation Amount of the Securities, (ii) may refrain from enforcing such remedy or right or taking such other action until such written instructions are received and (iii) shall be protected in conclusively relying on or acting in accordance with such written instructions.

(b) No provision of this Guarantee shall be deemed to impose any duty or obligation on the Guarantee Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which the Guarantee Trustee shall be unqualified or incompetent to act in accordance with applicable law, to perform any such act or acts or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Guarantee Trustee shall be construed to be a duty.

ARTICLE 4

GUARANTEE TRUSTEE

SECTION 4.1. Guarantee Trustee; Eligibility.

(a) There shall be at all times a Guarantee Trustee which shall:

(i) not be an Affiliate of the Guarantor; and

(ii) be a corporation organized and doing business under the laws of the United States of America or any state or territory thereof or of the District of Columbia, or a corporation or other Person permitted by the Securities and Exchange Commission to act as an institutional trustee under the Trust Indenture Act, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least 50 million U.S. dollars (\$50,000,000), and subject to supervision or examination by federal, state, territorial or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the supervising or examining authority referred to above, then, for the purposes of this Section 4.1(a)(ii), the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) If at any time the Guarantee Trustee shall cease to be eligible to so act under Section 4.1(a), the Guarantee Trustee shall immediately resign in the manner and with the effect set out in Section 4.2(c).

(c) If the Guarantee Trustee has or shall acquire any “conflicting interest” within the meaning of Section 310(b) of the Trust Indenture Act, the Guarantee Trustee and Guarantor shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

SECTION 4.2. Appointment, Removal and Resignation of Guarantee Trustee.

(a) Subject to Section 4.2(b), unless a Guarantee Event of Default shall have occurred and be continuing, the Guarantee Trustee may be appointed or removed with or without cause at any time by the Guarantor.

(b) The Guarantee Trustee shall not be removed in accordance with Section 4.2(a) until a Successor Guarantee Trustee has been appointed and has accepted such appointment by written instrument executed by such Successor Guarantee Trustee and delivered to the Guarantor.

(c) The Guarantee Trustee appointed to office shall hold such office until a Successor Guarantee Trustee shall have been appointed or until its removal or resignation. The Guarantee Trustee may resign from office (without need for prior or subsequent accounting) by an instrument in writing executed by the Guarantee Trustee and delivered to the Guarantor, which resignation shall not take effect until a Successor Guarantee Trustee has been appointed and has accepted such appointment by instrument in writing executed by such Successor Guarantee Trustee and delivered to the Guarantor and the resigning Guarantee Trustee.

(d) If no Successor Guarantee Trustee shall have been appointed and accepted appointment as provided in this Section 4.2 within 60 days after delivery to the Guarantor of an instrument of removal or resignation, the removed or resigning Guarantee Trustee may petition any court of competent jurisdiction for appointment of a Successor Guarantee Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Successor Guarantee Trustee.

(e) No Guarantee Trustee shall be liable for the acts or omissions to act of any Successor Guarantee Trustee.

(f) Upon termination of this Guarantee or removal or resignation of the Guarantee Trustee pursuant to this Section 4.2, the Guarantor shall pay to the Guarantee Trustee all amounts owing for fees and reimbursement of expenses which have accrued to the date of such termination, removal or resignation.

ARTICLE 5

GUARANTEE

SECTION 5.1. GuaranteeThe Guarantor irrevocably and unconditionally agrees to pay in full to the Holders the Guarantee Payments (without duplication of amounts theretofore paid by the Trust), as and when due, regardless of any defense, right of set-off or counterclaim that the Trust may have or assert. The Guarantor's obligation to make a Guarantee Payment may be satisfied by direct payment of the required amounts by the Guarantor to the Holders or by causing the Trust to pay such amounts to the Holders. Notwithstanding anything to the contrary herein, the Guarantor retains all of its rights under the Indenture to defer the interest payments on the Debentures pursuant to the terms thereof and the Guarantor shall not be obligated hereunder to make any Guarantee Payments during any Extension Period (as defined in the Indenture) with respect to the Distributions (as defined in the Trust Agreement) on the Securities.

SECTION 5.2. Waiver of Notice and Demand.

The Guarantor hereby waives notice of acceptance of this Guarantee and of any liability to which it applies or may apply, presentment, demand for payment, any right to require a proceeding first against the Trust or any other Person before proceeding against the Guarantor, protest, notice of nonpayment, notice of dishonor, notice of redemption and all other notices and demands.

SECTION 5.3. Obligations Not Affected.

The obligations, covenants, agreements and duties of the Guarantor under this Guarantee shall be absolute and unconditional and shall remain in full force and effect until the entire liquidation amount of all outstanding Securities shall have been paid and such obligation shall in no way be affected or impaired by reason of the happening from time to time of any event, including without limitation, the following, whether or not with notice to, or the consent of, the Guarantor:

- (a) The release or waiver, by operation of law or otherwise, of the performance or observance by the Trust of any express or implied agreement, covenant, term or condition relating to the Securities to be performed or observed by the Trust;
- (b) The extension of time for the payment by the Trust of all or any portion of the Distributions, Redemption Price, Liquidation Distribution or any other sums payable under the terms of the Securities or the extension of time for the performance of any other obligation under, arising out of, or in connection with the Securities (other than an extension of time for payment of Distributions, Redemption Price, Liquidation Distribution or other sum payable that results from the extension of any interest payment period on the Debentures);
- (c) Any failure, omission, delay or lack of diligence on the part of the Property Trustee or the Holders to enforce, assert or exercise any right, privilege, power or remedy conferred on the Property Trustee or the Holders pursuant to the terms of the

Securities, or any action on the part of the Trust granting indulgence or extension of any kind;

(d) The voluntary or involuntary liquidation, dissolution, sale of any collateral, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition or readjustment of debt of, or other similar proceedings affecting, the Trust or any of the assets of the Trust;

(e) Any invalidity of, or defect or deficiency in, the Securities;

(f) The settlement or compromise of any obligation guaranteed hereby or hereby incurred; or

(g) Any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a guarantor, it being the intent of this Section 5.3 that the obligations of the Guarantor hereunder shall be absolute and unconditional under any and all circumstances.

There shall be no obligation of the Guarantee Trustee or the Holders to give notice to, or obtain consent of the Guarantor or any other Person with respect to the happening of any of the foregoing.

No setoff, counterclaim, reduction or diminution of any obligation, or any defense of any kind or nature that the Guarantor has or may have against any Holder shall be available hereunder to the Guarantor against such Holder to reduce the payments to it under this Guarantee.

SECTION 5.4. Rights of Holders.

(a) The Holders of at least a Majority in Liquidation Amount of the Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee in respect of this Guarantee or to direct the exercise of any trust or power conferred upon the Guarantee Trustee under this Guarantee.

(b) If the Guarantee Trustee fails to enforce this Guarantee, then any Holder of Securities may, subject to the subordination provisions of Section 6.2, institute a legal proceeding directly against the Guarantor to enforce the Guarantee Trustee's rights under this Guarantee without first instituting a legal proceeding against the Trust, the Guarantee Trustee or any other person or entity. In addition, if the Guarantor has failed to make a Guarantee Payment, a Holder of Securities may, subject to the subordination provisions of Section 6.2, directly institute a proceeding against the Guarantor for enforcement of the Guarantee for such payment to the Holder of the Securities of the principal of or interest on the Debentures on or after the respective due dates specified in the Debentures, and the amount of the payment will be based on the Holder's pro rata share of the amount due and owing on all of the Securities. The Guarantor hereby waives any right or remedy to require that any action on this Guarantee be brought first against the Trust or any other person or entity before proceeding directly against the Guarantor.

SECTION 5.5. Guarantee of Payment.

This Guarantee creates a guarantee of payment and not of collection.

SECTION 5.6. Subrogation.

The Guarantor shall be subrogated to all (if any) rights of the Holders of Securities against the Trust in respect of any amounts paid to such Holders by the Guarantor under this Guarantee; provided, however, that the Guarantor shall not (except to the extent required by mandatory provisions of law) be entitled to enforce or exercise any right that it may acquire by way of subrogation or any indemnity, reimbursement or other agreement, in all cases as a result of payment under this Guarantee, if at the time of any such payment, any amounts are due and unpaid under this Guarantee. If any amount shall be paid to the Guarantor in violation of the preceding sentence, the Guarantor agrees to hold such amount in trust for the Holders and to pay over such amount to the Guarantee Trustee for the benefit of the Holders.

SECTION 5.7. Independent Obligations.

The Guarantor acknowledges that its obligations hereunder are independent of the obligations of the Trust with respect to the Securities, and that the Guarantor shall be liable as principal and as debtor hereunder to make Guarantee Payments pursuant to the terms of this Guarantee notwithstanding the occurrence of any event referred to in subsections 5.3(a) through 5.3(g), inclusive, hereof.

ARTICLE 6

SECTION 6.1. Limitation of Transactions.

So long as any Securities remain outstanding, (i) if there shall have occurred an Event of Default (as defined in the Indenture) with respect to the Debentures, (ii) if there shall have occurred a Guarantee Event of Default or (iii) during any Deferral Period as provided in the Indenture, then the Guarantor shall not, and shall not permit any subsidiary of the Guarantor, to (x) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Guarantor's capital stock or (y) make any payment of principal, interest or premium, if any, on or repay, purchase or redeem any debt securities of the Guarantor that rank *pari passu* with or junior in interest to the Debentures, other than pro rata payments of accrued and unpaid interest on the Debentures and any other debt securities of the Guarantor that rank equally with the Debentures except and to the extent the terms of any such debt securities would prohibit the Guarantor from making such pro rata payment or (z) make any guarantee payments with respect to any guarantee by the Guarantor of the debt securities of any subsidiary of the Guarantor if such guarantee ranks *pari passu* with or junior in interest to the this Guarantee, other than pro rata payments of accrued and unpaid amounts on this Guarantee and any other guarantees by the Guarantor of debt securities of any subsidiary of the Guarantor that rank equally with this Guarantee except and to the extent the terms of any such debt securities would prohibit the Guarantor from making such pro rata payment (other than (a) dividends or distributions in Common Stock of the Guarantor, (b) any declaration of a dividend in connection with the implementation of a rights plan or the issuance

of stock under any such plan or the redemption or repurchase of any such rights pursuant thereto, (c) payments under this Guarantee and (d) purchases of Common Stock related to the issuance of Common Stock or rights under any of the Company's benefits plans for its directors, officers or employees).

SECTION 6.2. Ranking.

This Guarantee will constitute an unsecured obligation of the Guarantor and will rank subordinate and junior in right of payment to all Senior and Subordinated Debt (as defined in [Section 3.1(o)] of the Seventh Supplemental Indenture) of the Guarantor in the same manner and to the same extent as set forth in Article XIII of the Indenture.

SECTION 6.3. Subordination of Common Securities.

If a Trust Enforcement Event has occurred and is continuing under the Trust Agreement, the rights of the holders of the Common Securities to receive Guarantee Payments hereunder shall be subordinated to the rights of the Holders of the Capital Securities to receive Guarantee Payments under this Guarantee.

ARTICLE 7
TERMINATION

SECTION 7.1. Termination.

This Guarantee shall terminate upon (i) full payment of the Redemption Price of all Securities, (ii) distribution of the Debentures to the Holders of all the Securities or (iii) full payment of the amounts payable in accordance with the Trust Agreement upon liquidation of the Trust. Notwithstanding the foregoing, this Guarantee will continue to be effective or will be reinstated, as the case may be, if at any time any Holder of Securities must restore payment of any sums paid under the Securities or under this Guarantee.
