

# U.S. Bancorp Political Activities Report

## April 2018 – September 2018

U.S. Bancorp complies fully with all federal, state, and local laws and reporting requirements governing contributions by its affiliated political action committees (PACs) as well as political contributions made with corporate funds.

U.S. Bancorp's Political and Legislative Activities Policy requires that all contributions from U.S. Bancorp's PACs and the corporation be compiled and published semi-annually in a report that is made publicly available on its corporate website. The Policy also requires, for each trade association and other tax-exempt organization to which the Company pays \$50,000 or more in annual dues, certain disclosures regarding the trade association's or other tax-exempt organization's use of dues payments for non-deductible lobbying and political expenditures. This report and the Political and Legislative Activities Policy are reviewed by the Public Responsibility Committee of the U.S. Bancorp Board of Directors.

## **Industry Initiatives and Advocacy:**

U.S. Bancorp advocates on issues important to our company and industry. From April 1, 2018 to September 30, 2018, U.S. Bancorp's expenditures for these advocacy activities were approximately \$923,485. U.S. Bancorp is also a member of numerous industry trade associations and other tax-exempt organizations at the national, state and local levels. U.S. Bancorp's public policy positions are often communicated through these organizations, which enables us to reach our audience more efficiently and in concert with peers in the financial services industry. The Company's participation as a member of these associations comes with the understanding that we may not always agree with all the positions of an organization or its other members.

U.S. Bancorp requests from the trade associations and other tax-exempt organizations to which it pays \$50,000 or more in annual dues, a report of the portion of U.S. Bancorp dues that is used for expenditures or contributions that, if made directly by U.S. Bancorp, would not be deductible under Section 162(e)(1)(B) of the Internal Revenue Code. We are disclosing in this report the information received from those trade associations and other tax-exempt organizations with respect to the most recent semi-annual reporting period.

When the Company makes payments to these organizations, we prohibit them from using the funds for any election-related activity at the federal, state or local level, including contributions and expenditures (independent or otherwise) that support or oppose candidates, ballot initiatives, political parties or PACs.
